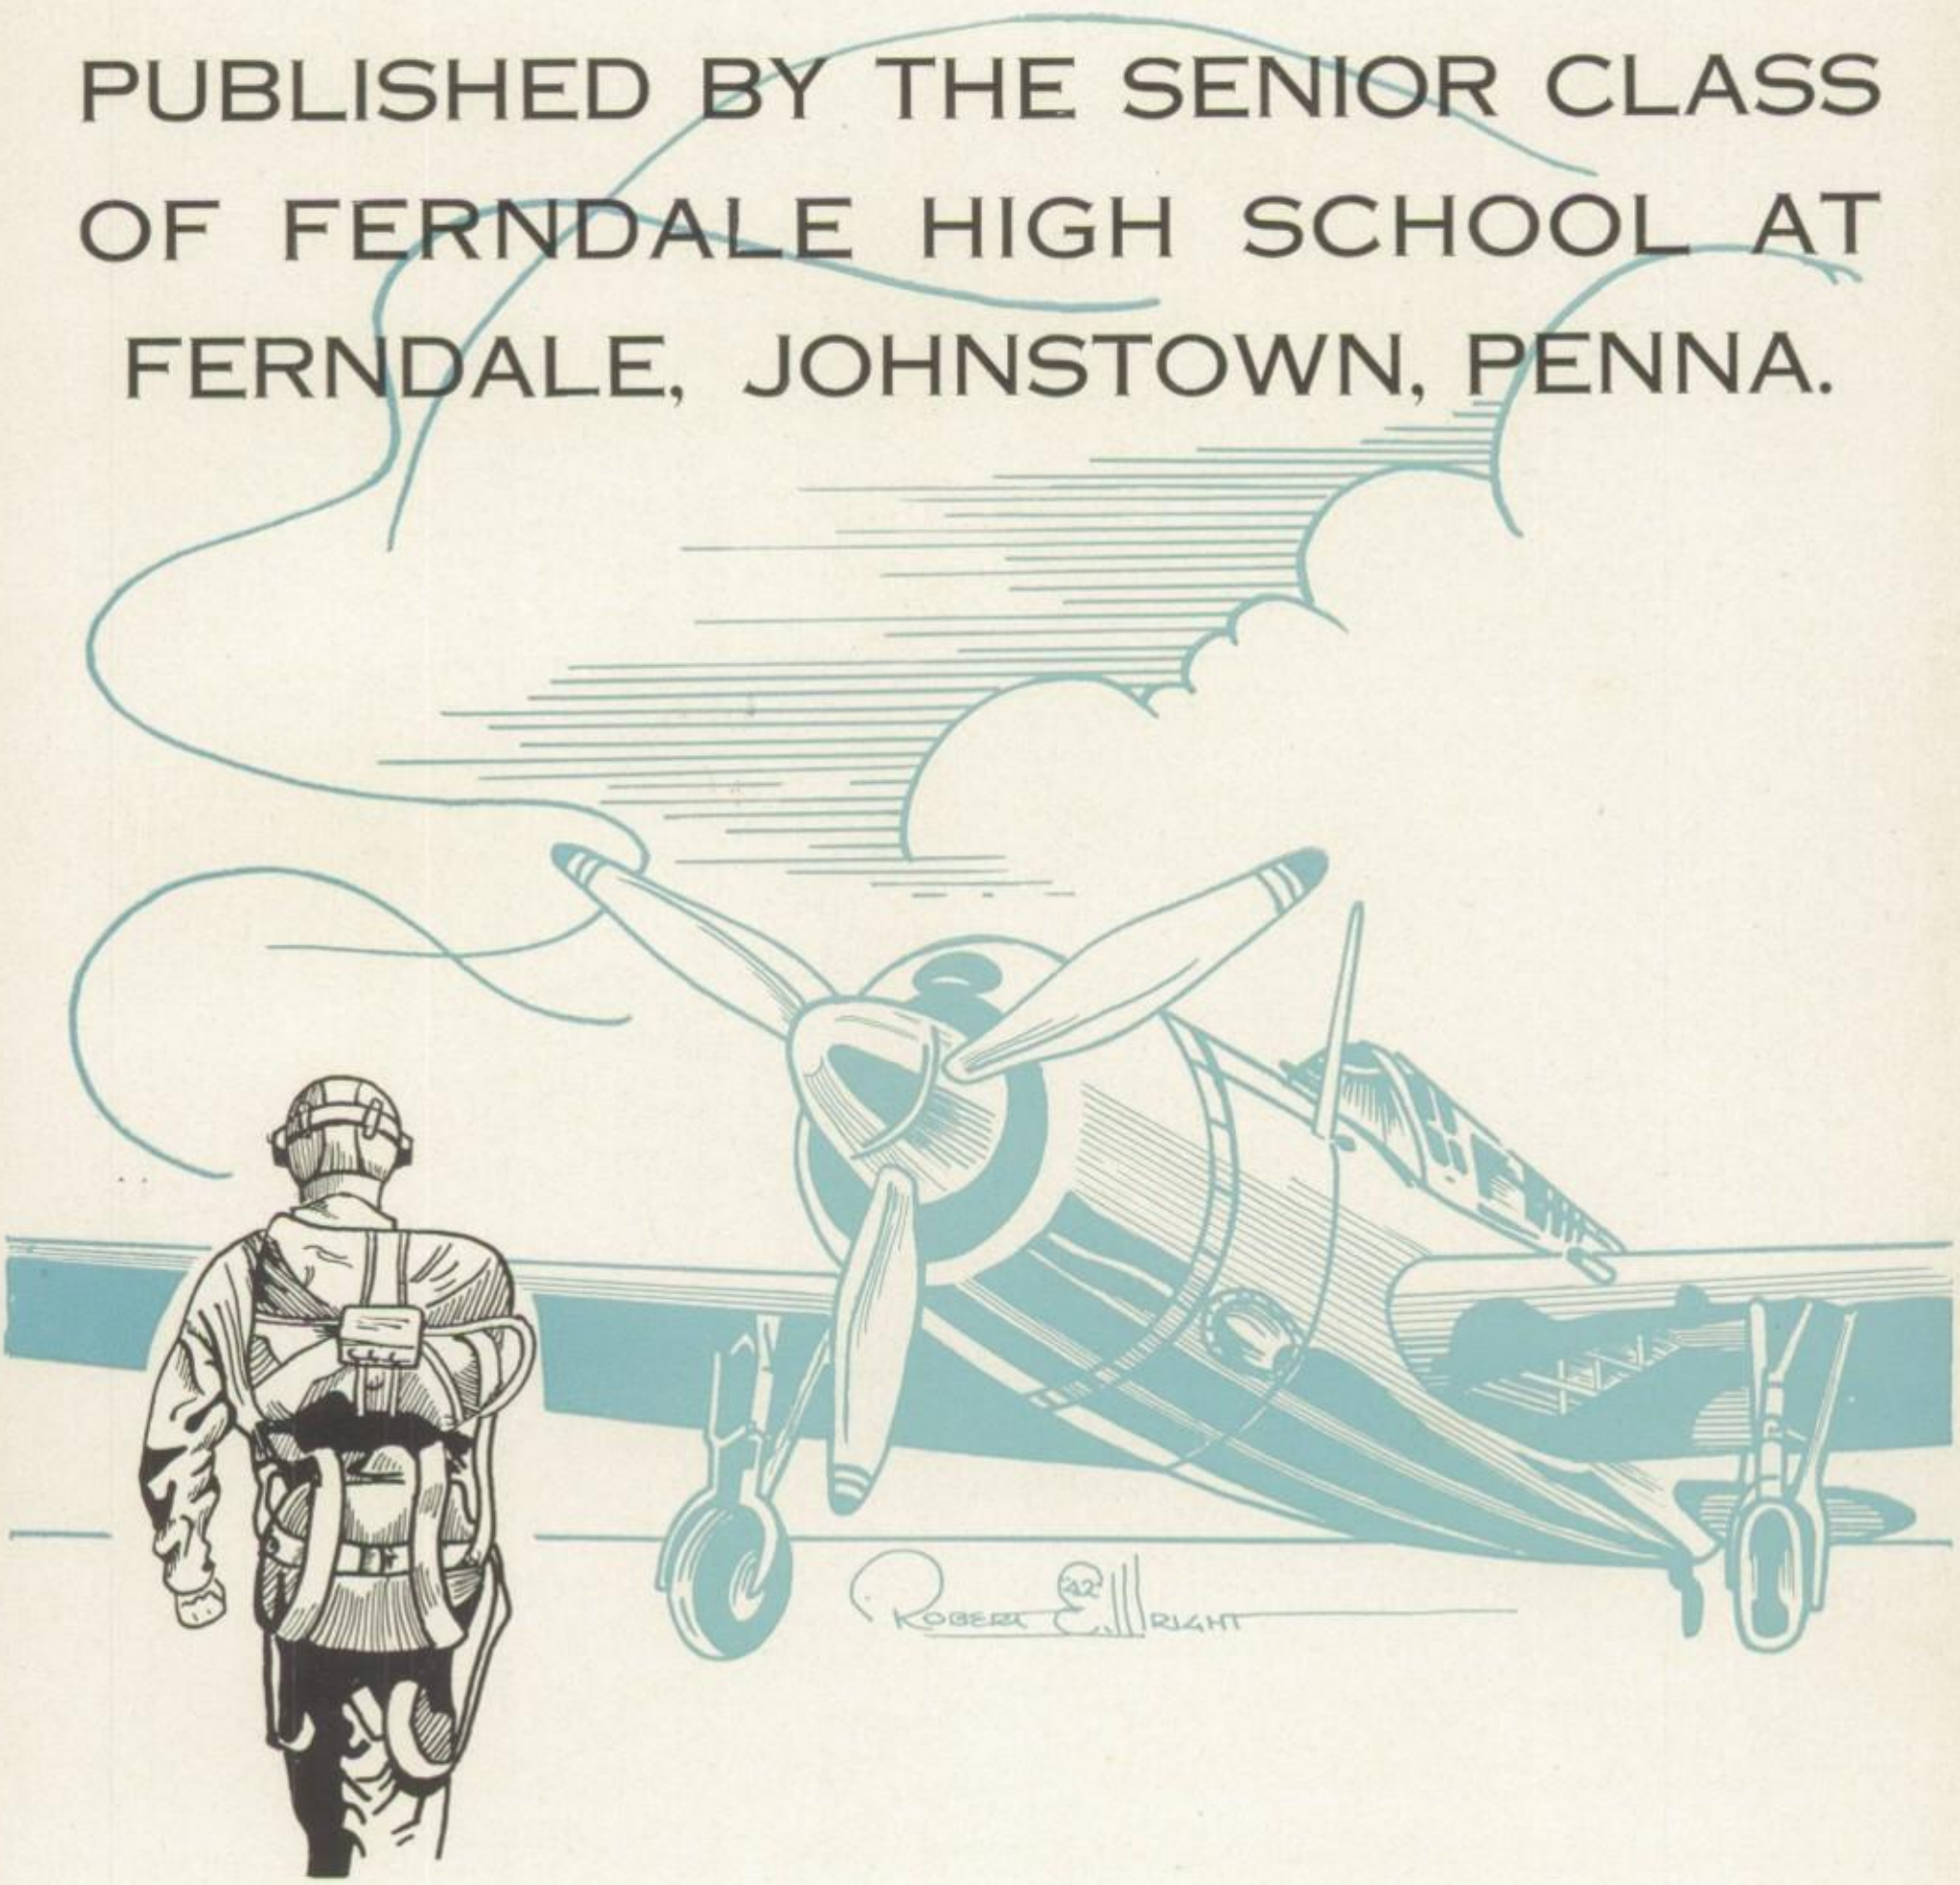
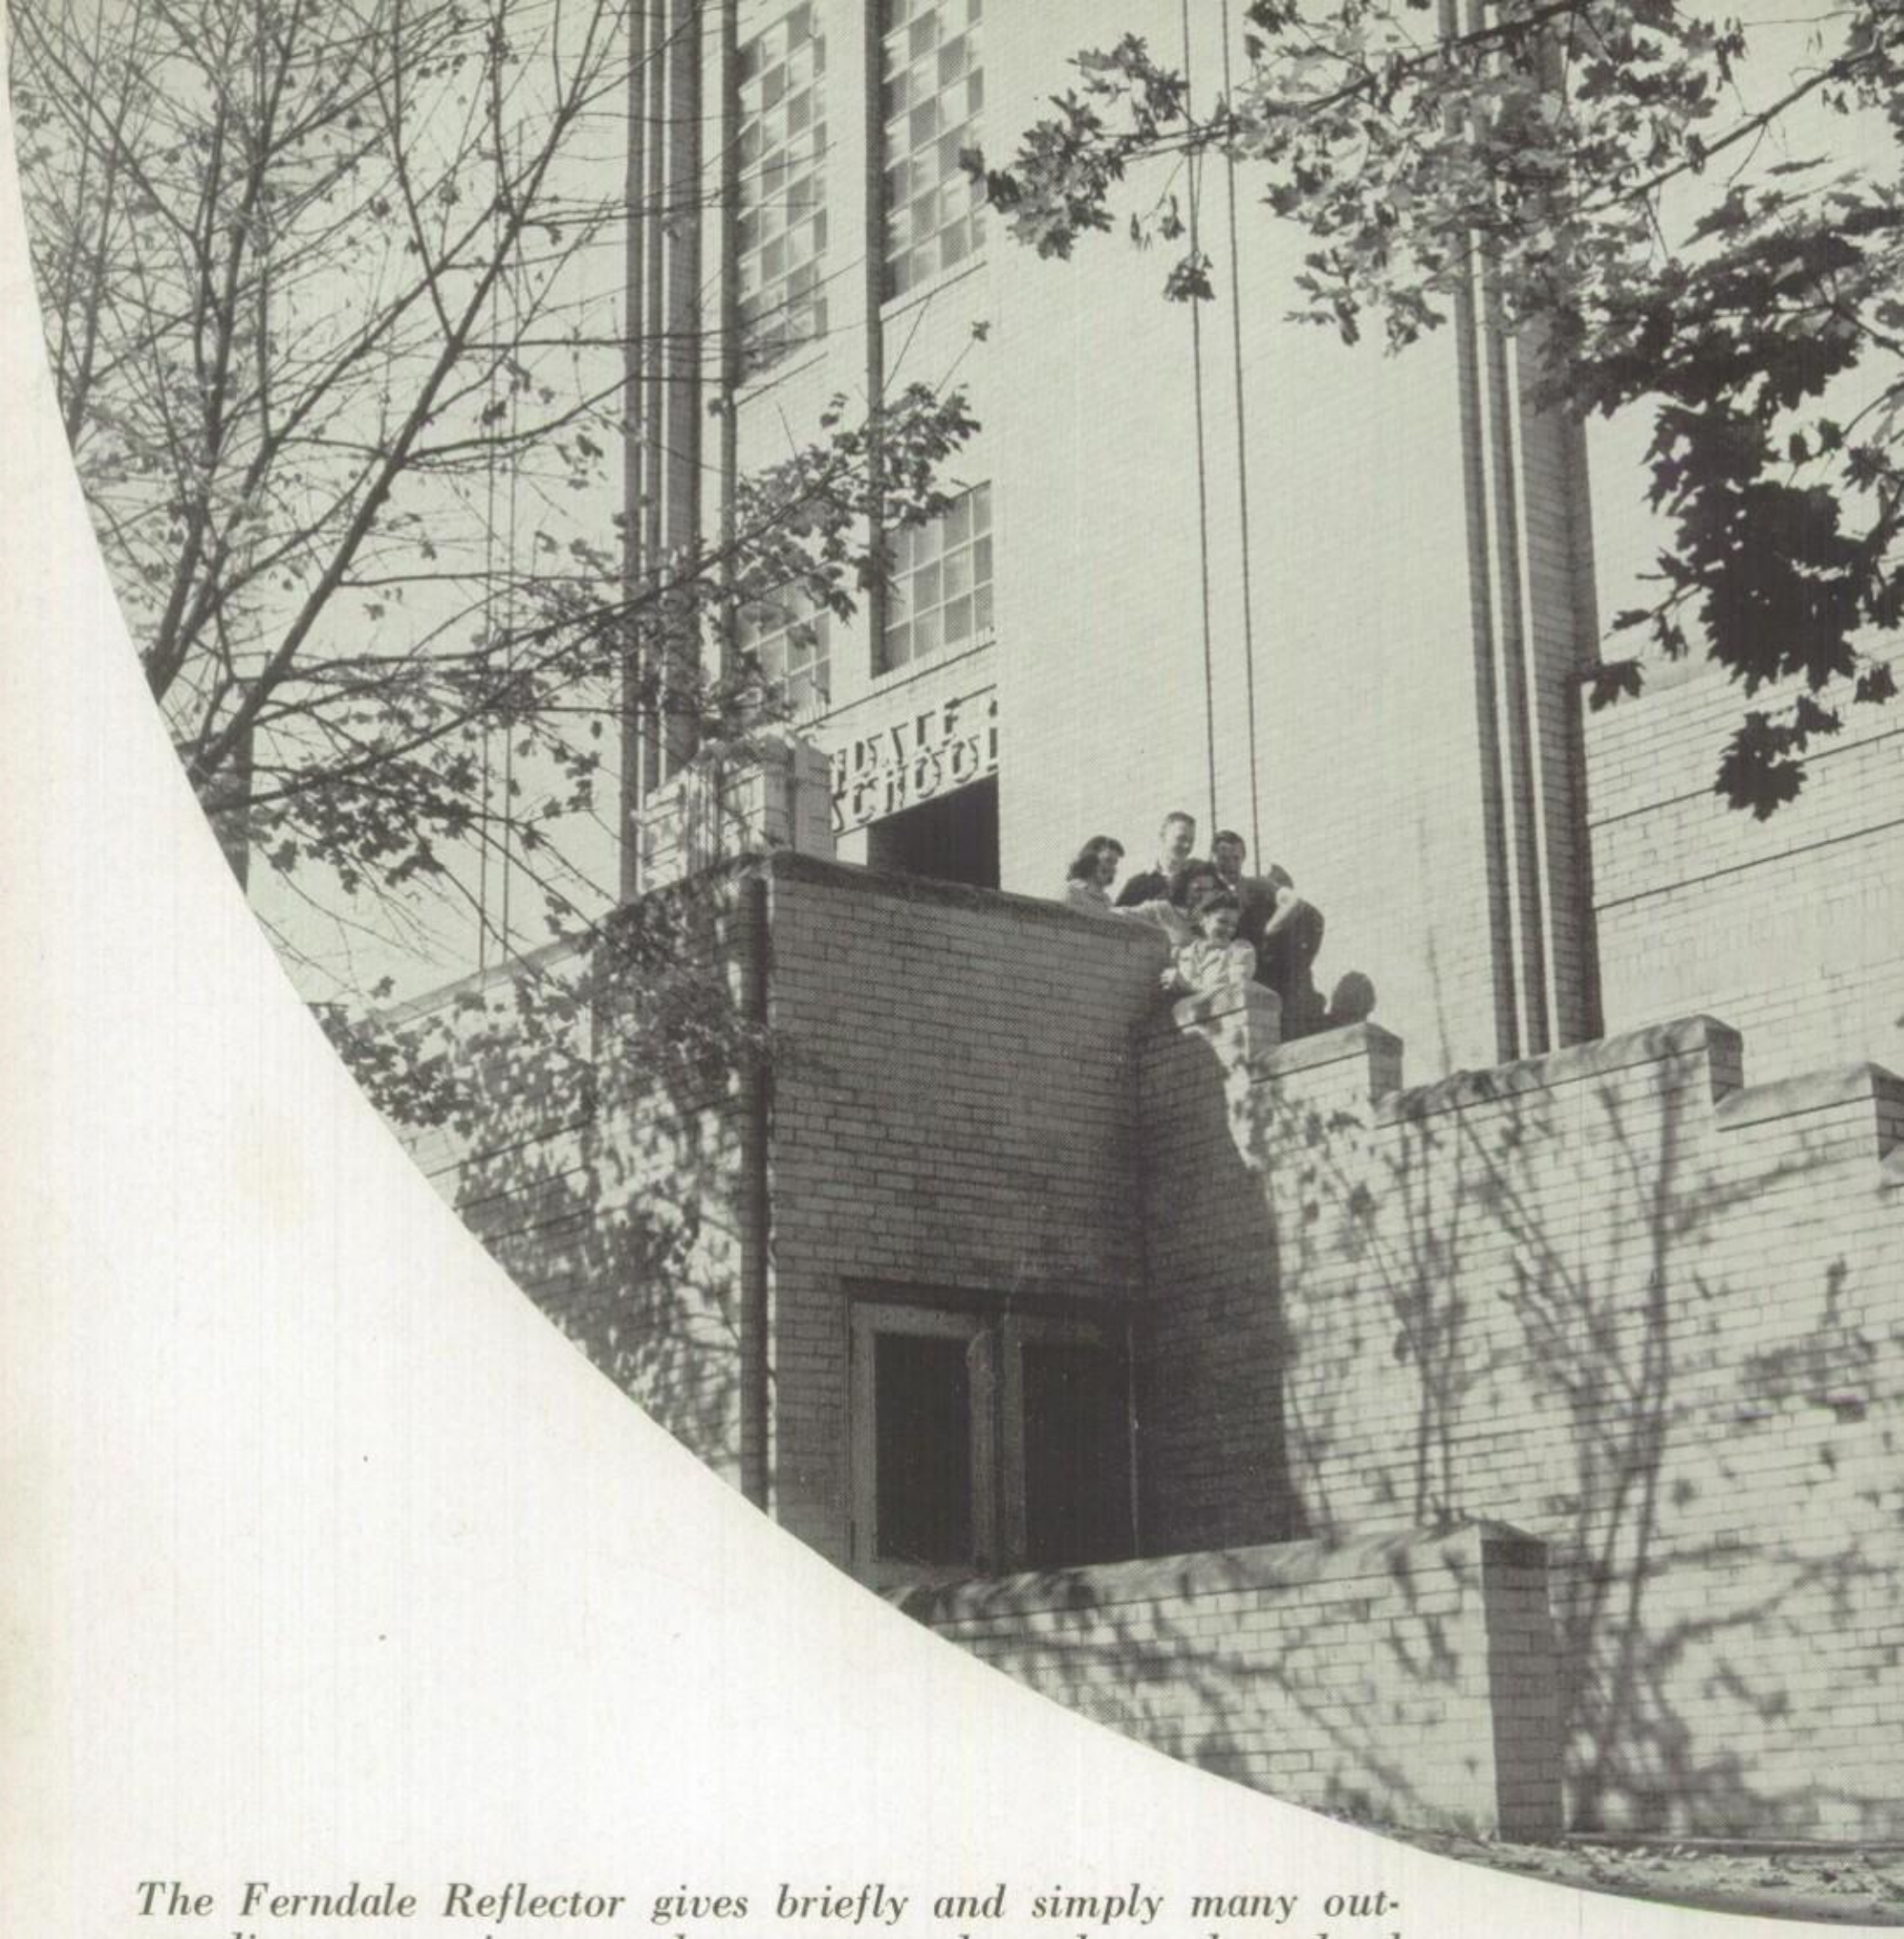
The 1943

REFLECTOR

PUBLISHED BY THE SENIOR CLASS
OF FERNDALE HIGH SCHOOL AT
FERNDALE, JOHNSTOWN, PENNA.





The Ferndale Reflector gives briefly and simply many outstanding events in our advancements throughout the school year. Every school-minded student will find it an invaluable yearbook and an inspiring revelation of his achievements. We are glad to have the opportunity to present a brief review of the happy hours spent at our instruction headquarters. Our maximum effort has been put forth to make this book stand out in the memory of every observer.

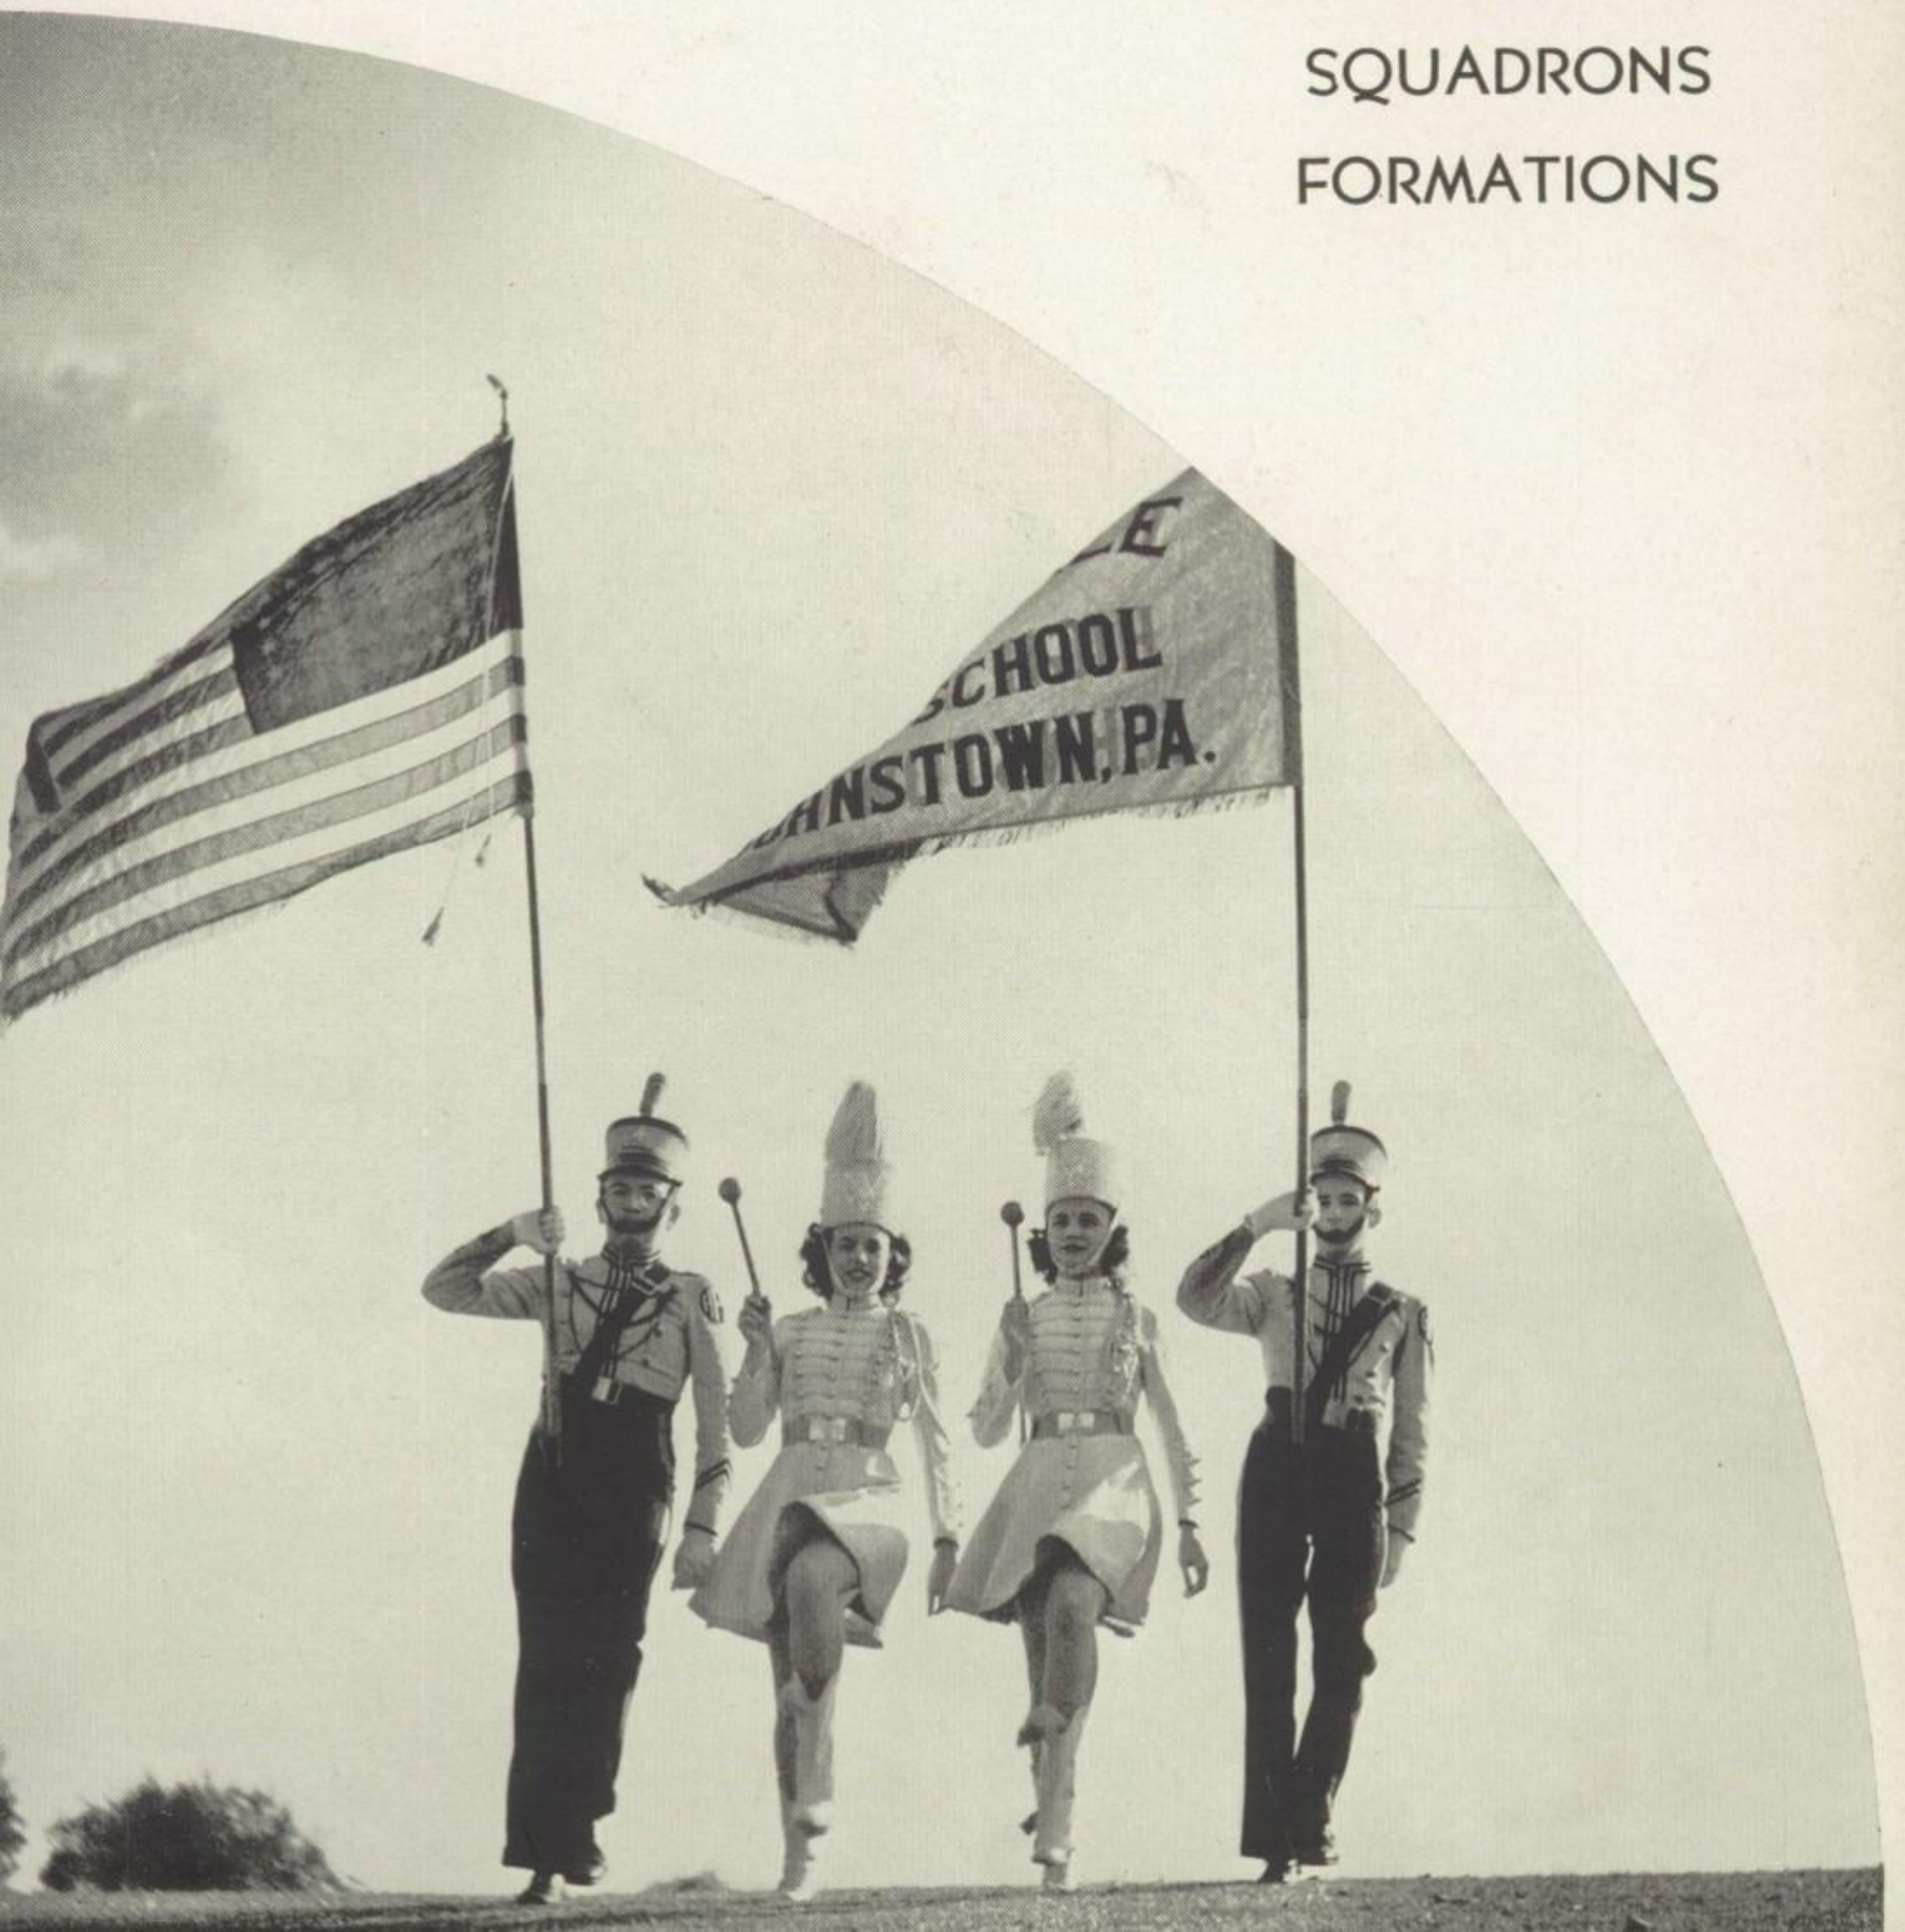
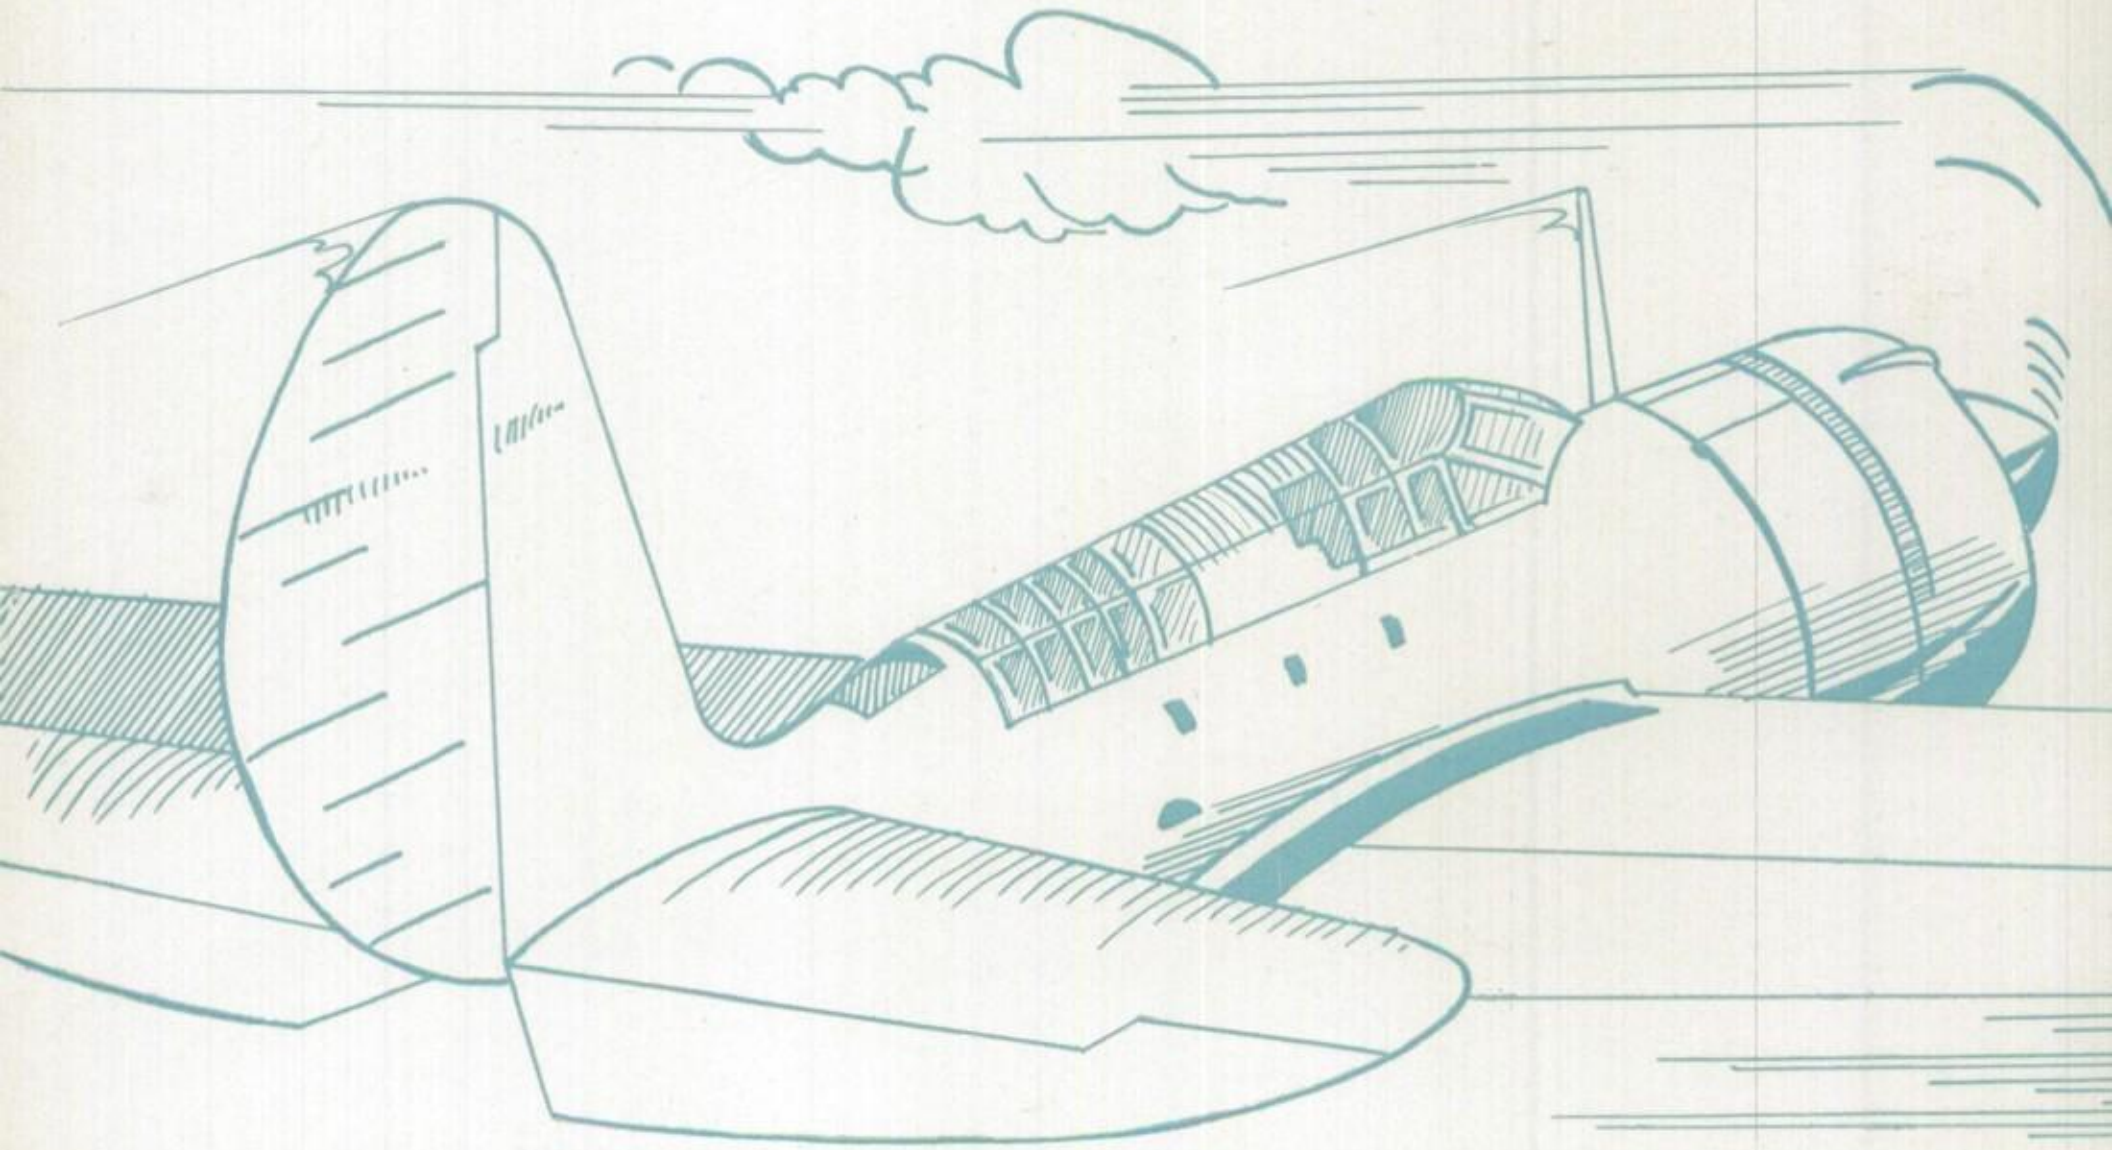
FORMATIONS



TAKE OFF!

OUR SCHOOL OF STUDENT PILOTS is preparing to move along to the final climax of a lengthy and arduous course, which each member of the training unit hopes will lead to his future career. The students have, of course, been taught all the fundamentals of learning in both elementary and advanced instruction. With this knowledge, it can be correctly assumed that our training unit provides the necessary link between termination of the student's instruction and actual participation by him, to become a graduate pilot from the Ferndale Training Base. The student has certain fatigues to perform. These often seem very undesirable at the time, but are helpful and essential for the future and are not entirely lacking in benefit to the student himself. The ultimate result of these operations is a definite



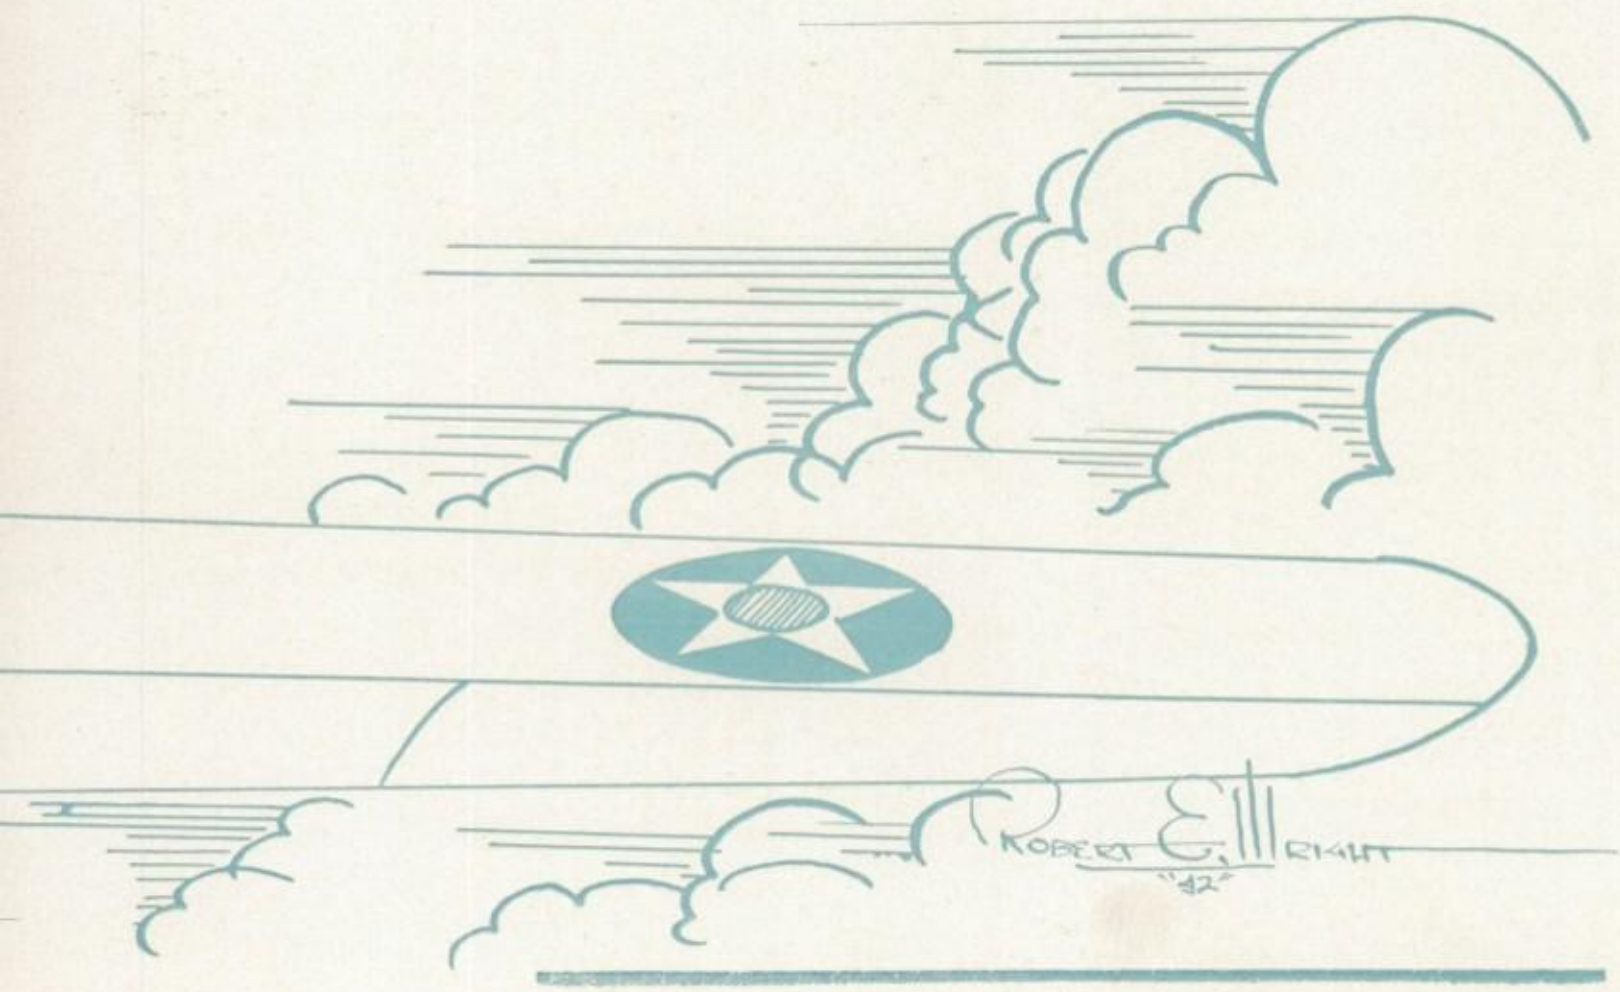
LOOKING TO THE FUTURE

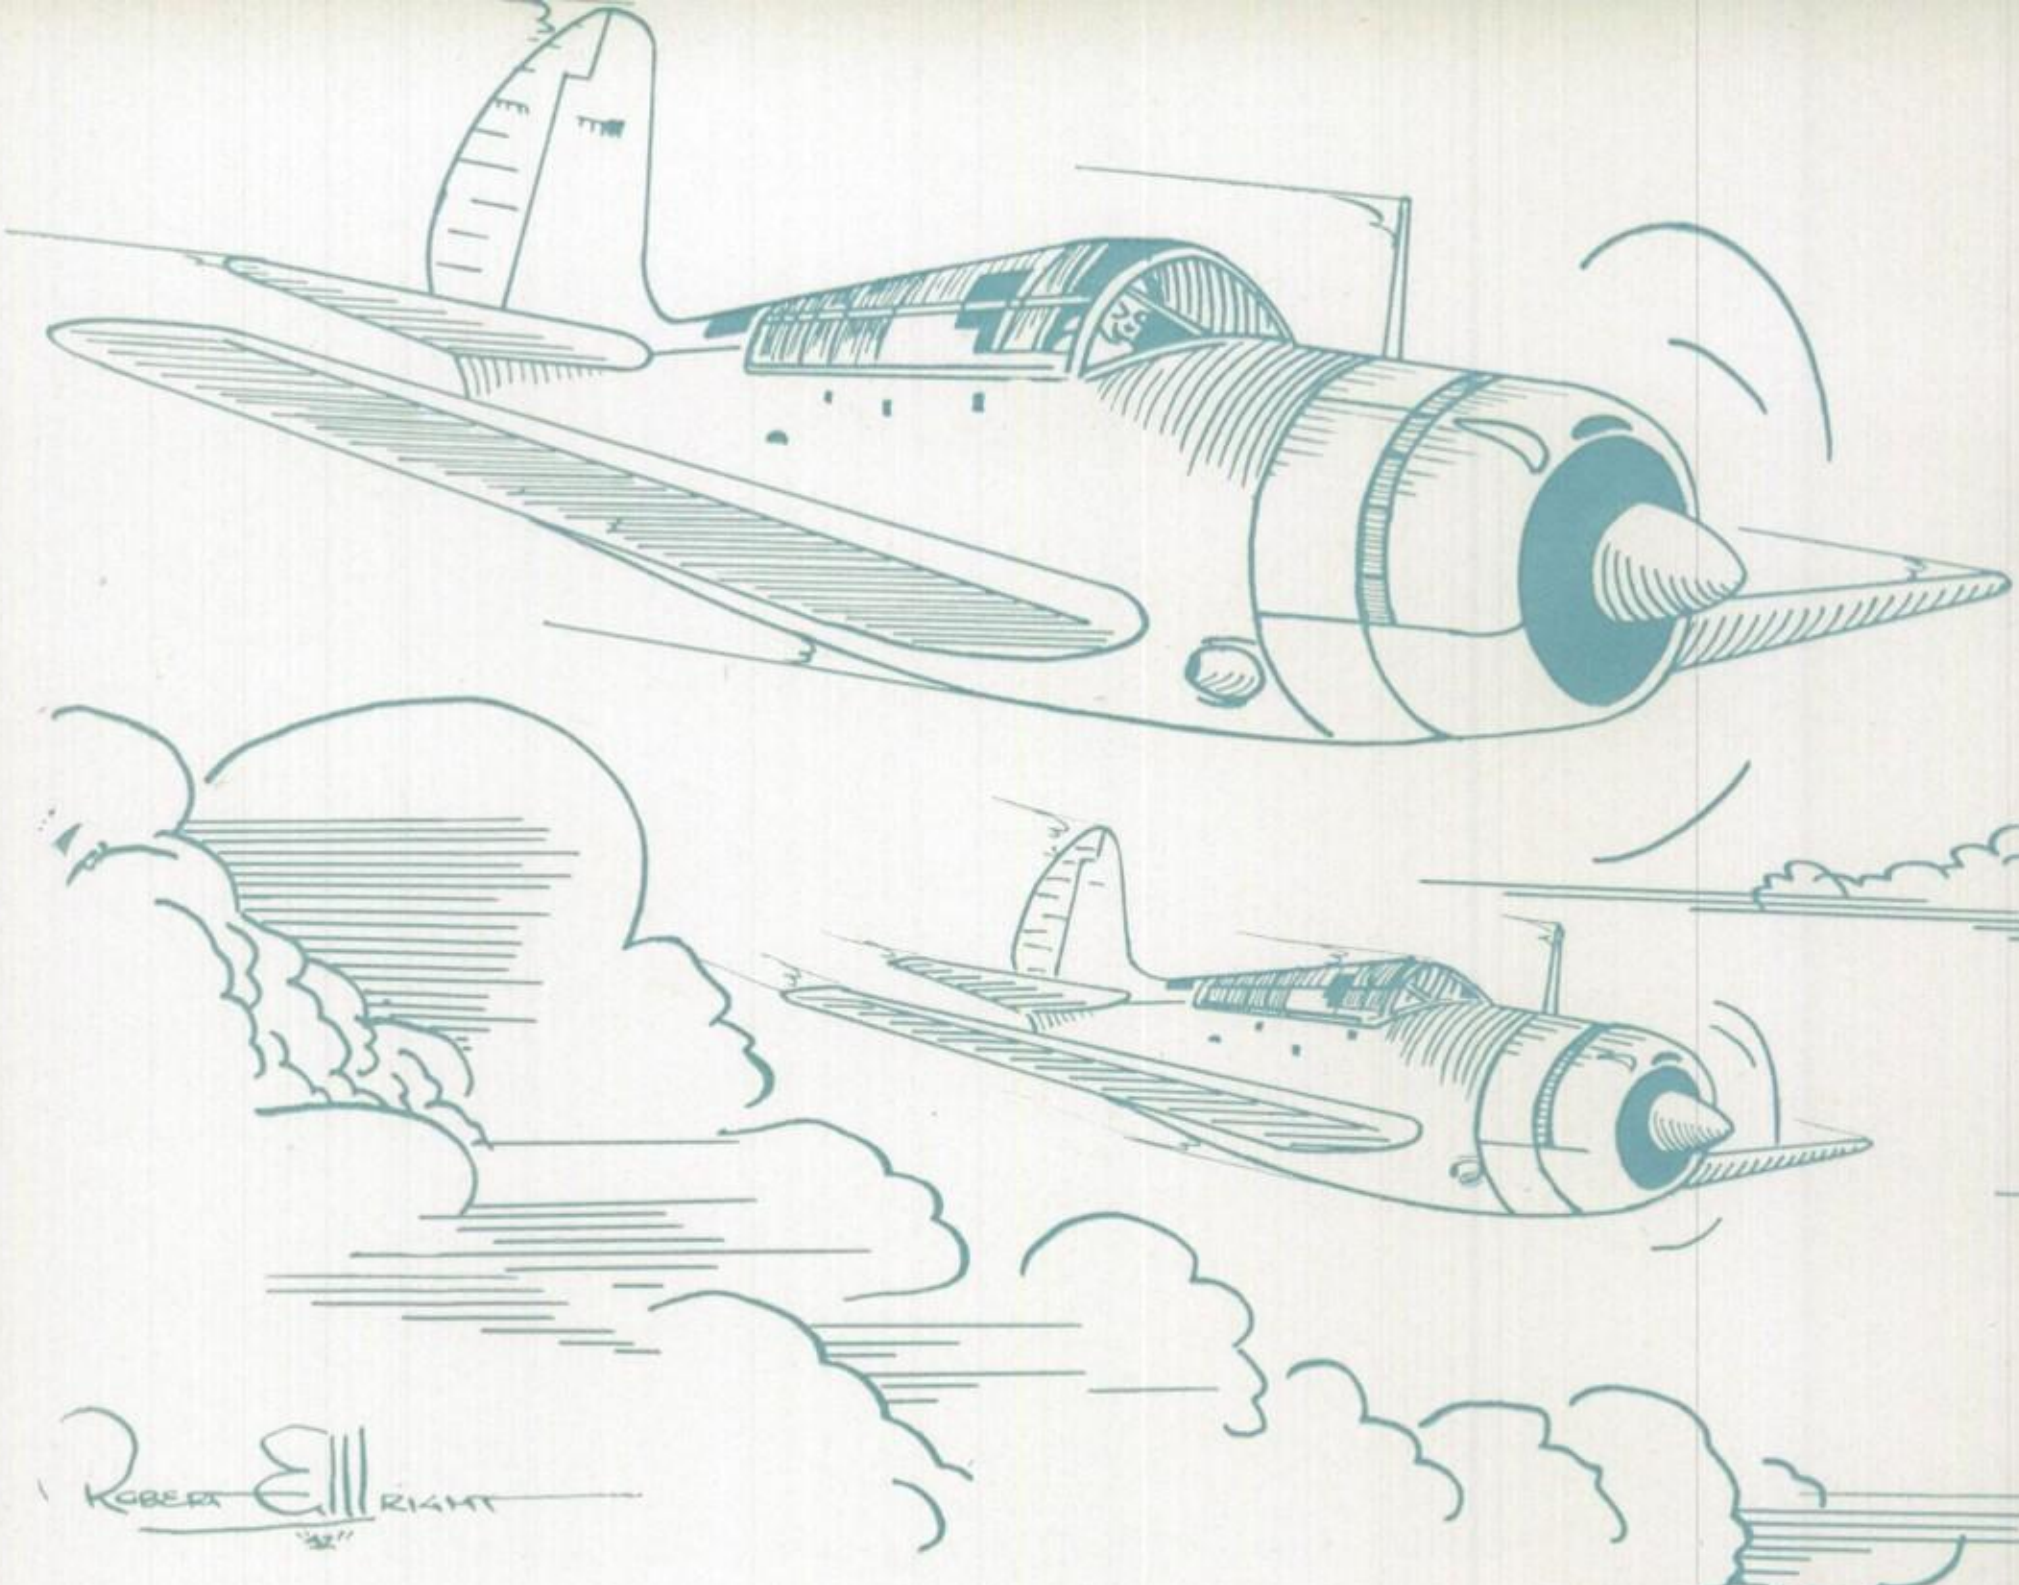
understanding by the student of what is to be expected of him in the coming years. Yet, we have made only a beginning—and before our very eyes a world conflict is making our future responsibilities obsolete.

Each class has been given a clear and concise explanation of duties and responsibilities and particular stress has been laid upon the greater opportunity for the individual to use his initiative in his future field of work.

Each student is interested in the set of wings for which he has been striving this year. Wish him success for he has worked hard to attain the position in which he can perform duties of great value for his country.

Each and every one of the student pilots is aware of the great task which lies before him—the task of keeping America free for the future generations. Our goal can be attained only by cooperation and unity on the part of every loyal American. The command of "Take Off" has been given. Let us heed our commanders and prepare to fly into the future.





A TRIBUTE TO OUR FERNDALE

THEY TOIL WITHOUT GLORY! The students who once roamed the halls of Ferndale High School are doing a job of which we may well feel proud. They are fighting for the right of all men to live in peace and with honor and decency among the millions that are fighting for future America. These valiant young volunteers with their sheer, stark courage are a gallant company. They are doing a job that has much to do with the successful defense of this country, but they do their job magnificently.

They shall not go unrecognized. To back up the soldiers who will win this war is the real aim we are striving for. Without bugle or roll of drums we're in stride with the march to victory. Let our prayers be for them, for in so doing, we pray for the safety of them that fight. We will help them come back—Alive!

DEDICATION

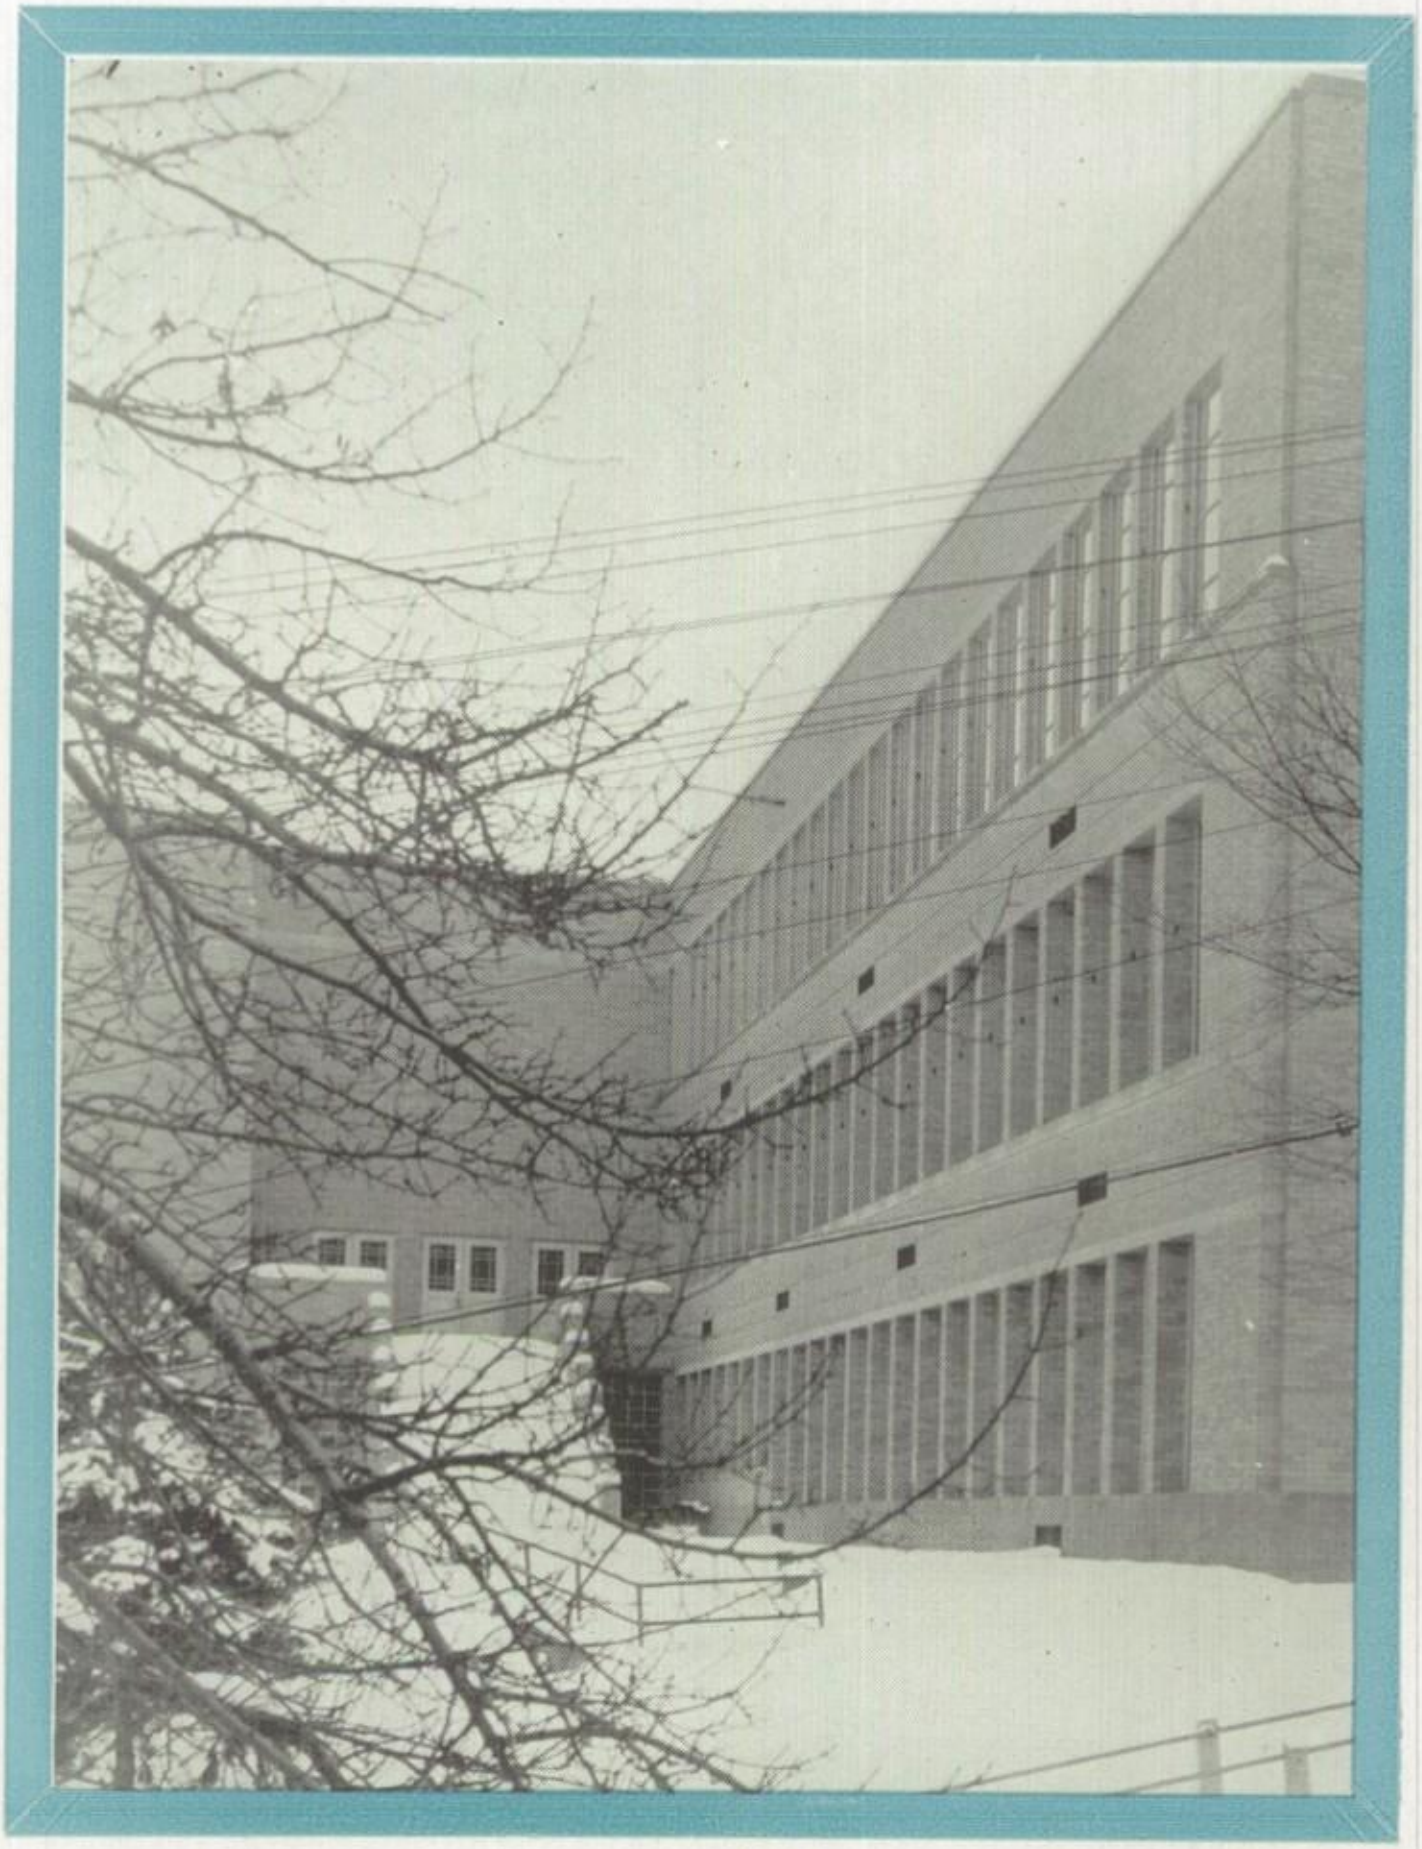
PAUL T. KUNKLE

We, the Class of 1943, take this opportunity to express our appreciation to Mr. Paul Kunkle.

Throughout his career as a teacher at Ferndale, he has given generously of his time, knowledge, and invaluable service toward making the Reflector an outstanding record of our school life. His pleasing personality and unusual ability made him a natural leader.

We regret that he left his teaching career for other fields of endeavor but wish him continued success in his chosen work.

COMMAND
ROBERT E. WRIGHT



OUR SCHOOLS have always been molds in which we cast the kind of life we wanted. Today, what we all want is victory, and beyond victory a world in which free men may fulfill their aspirations. Schools, today, must help us mold men and women who can fight through to victory. Every schoolhouse must become a service center for the home front. And we pray that our young people will learn in the schools and in the colleges the wisdom and forbearance and patience needed by men and women of good will who seek to bring to this earth a lasting peace.

AN ARSENAL OF DEMOCRACY . . . TRAINING

THIS IS INSTRUCTION HDQ'S

THE FERNDALE BASE is training about five hundred students each year, and approximately seventy senior pilots will receive their wings this May. P. S. They'll probably need them.

The teaching staff includes seventeen instructors, a nurse, an office secretary and a maintenance superintendent. Of this staff, eight are teaching academic subjects and the other nine are instructing in special subjects.

ORGANIZING A

UNSUNG HEROES IN THE ARSENAL OF EDUCATION . . . THE MEN WHO'VE PIONEERED THE WAY FOR FUTURE LIVING

V •••—

The men we'd like to introduce are not the uniformed officers of a regiment but just plain civilian leaders of a great youth army.

They're at home inside their quarters in the school plant, where they plan for an all-out victory in educa'ion . . . pointing the way to a stronger and greater America.

For these men are doers, not idlers and talkers, and Pearl Harbor gave them, too, a whale of a job. The job of planning and adjusting a new 1943 education to fit these inexperienced youth for the future, to build strong, healthy Americans with keen, sound minds, to relieve world hatred and prejudice, to help make a peaceful and sane world in which the youth, who are yet to leave the portals of our schools, may find happiness and content; and countless other tasks are yet to be solved.

But, these men are pioneering the way, and through their measures the giant jobs will be whittled down to digestible sizes.

ONE HUNDRED THIRTY SPIRITED NEW RECRUITS arrived at the induction center last fall and were assigned to the Freshman Bomber Squad. . . . Getting into the swing of things at first was a little difficult, but with the help of the officers, advisors and friendly upper classmen, the new pilots soon became one of the many and unconcernedly went through their year's training. . . . It didn't take long for Commanders Hill, Townsend, Kuhs, Fisher, Myers, Hetrick, and English to put this new crop through their paces. . . . They have now won their stripes and have been assigned to the Sophomore Squadron for further training toward victory.

GRADE SCHOOL

•

PREFLIGHT TRAINING
GROUP

WERE YOU EVER SAUNTERING PEACEFULLY down the hall when all at once there came a gust of wind, a terrific crash, and found yourself almost in pieces? Yes, that was just one of those grade school students hurrying to class. But among that peppy, happy-go-lucky gang are some very brilliant pupils . . . several have won the attention of their superiors by their outstanding accomplishments in the band, twirlers' club, assembly band, Courier, Reflector, and other high school activities . . . provided quite a few honor roll members . . . helped cheer the team to victory . . . and really got quite prominent in the school's social functions. Besides their regular schedule of geography, history, English, spelling, math and gym, some have added detention as a routine subject. These robust understudies are letting everyone know that when they enter high school its going to be "full speed ahead!"

FUTURE TIMBER FOR UNCLE SAM'S FORCES

RECONNAISSANCE

FERNDALE STUDENTS know that good order is one of their best qualities. Here is an example.

WARTIME DOINGS---

You don't realize how important a job the youth are doing until you see them at work.

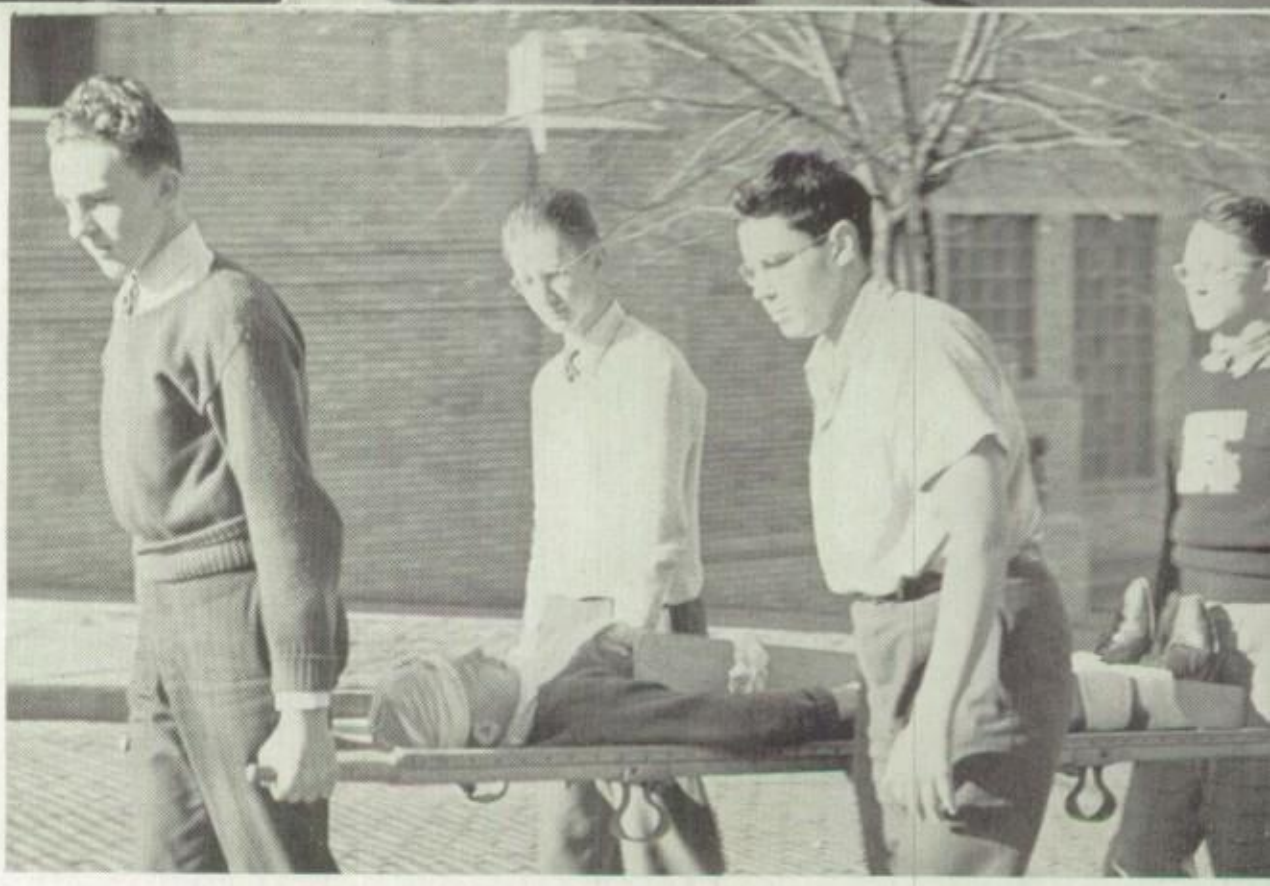
American boys and girls are no longer by-standers of war. They're in it up to their ears. For day by day these young soldiers are preparing themselves to do their part in the struggle, either to take their place in the ranks or to help make the home front safe from attack. These youth are not all in uniform, but all are earning their stripes. It may be in common place ways like collecting scrap, selling defense stamps, studying first aid, or helping with the defense program in the community. All these things the American youth do gladly. For they know to the aching depths of their hearts what kind of war this is. It isn't for boundaries, for profit or loot. It's their war. Their parents and loved ones are sacrificing their lives for everything they love and believe in, for the American Way of Life. And to that end the American youth are dedicated today to insure a peaceful tomorrow.

THESE BOYS ARE PREPARED TO CARRY MESSAGES in case of any emergency: for air-raid wardens, control centers, hospitals, first-aid stations, fire stations, and police precincts.

FERNDALE MOBILIZES FORCES FOR DEFENSE

FERNDALE HIGH SCHOOL has been selling Stamps and Bonds since the start of the war. We have sold over $10,000 worth to date. This is a record of which we are proud.

THESE FIRST-AID STUDENTS ARE WELL-VERSED in the care of the injured. We're proud that we are able to depend upon them, and we trust their ability.



ALL OUT ON THE SCHOOL FRONT

BOYS AND GIRLS LIKE EVERYBODY ELSE, are doing their share to protect themselves. Wardens patrol the halls while students return to their rooms after an air raid drill . . . high school students receive training in emergency medical and first-aid work. . . . Because of war needs, these student units are taking an active part in community defense programs.
are taking an active part in community defense programs. . . . They know the true value of quick thought and action which is essential in any moment of peril . . . our school Front is in safe hands.

• STRATEGY BOARD •

These are the strategists who planned the maneuvers of this book. They fought the battle with their mental power and herein lies their final results.

• ABOUT FACE •

"Yea Team, fight team, fight!" . . . these ten spirited squadron leaders led the entire formation of student pilots in cheering our teams on to final victory.

• AT EASE •

These Reflector staff members relax to enjoy a laugh at the personalities of the former year books. Informal moments like these made the hard work that followed much easier.

SELECTED PREVIEWS. Doesn't it look exciting? Believe me, it certainly was.

SENIOR CADETS

The acting ability of our Seniors was brought out this year in the smash hit comedy, "The Whole Town's Talking." Under the capable and patient direction of Mr. Kuhs, we struggled through long, hard hours of drill on how to sit, walk, speak and act. But of course we had our fun . . . eating donuts, pretzels, peanuts, and candy furnished by the cast and enjoying a good hearty laugh at the expense of another character of the play. Don Sell, as Chester Binney, a middle aged bachelor who has had no experience with women, gave us many a side ache with his tactics of trying to win the hand of his employer's young and pretty daughter, Ethel Simmons, capably portrayed by Jane Foltz. Ethel wants to marry a man of the

THRILLING, NEW

SCORE DIRECT HIT

world like Roger Shields, a smart young Frenchman, smoothly played by Fred Mostoller. So, Mr. Simmons, Bob Grenning, schemes a false love affair between Chester and Letty Lythe, a famous movie actress, smartly interpreted by Ruth Evans. But to make her fiancee, Donald Swift, played by Paul Auman, jealous, Letty turns the tables on Chet and the affair becomes very complicated. The climax of the play comes when Chet, Donald, and Roger have a "fight in the dark," in which Chet ends up on the chandelier and Roger and Donald knock each other out, making Chet a hero to Ethel. The cast was supported by Lois Jean Hassenplug as Mrs. Simmons, Josephine Poliacek as Sadie Bloom, a dance hall teacher and Annie, the maid, by Eileen Larson. Other supporting roles were played by Betty Naugle, Ruth Murray, LaVerne Lees, Pauline Maldet, Joan Gilbert and Robert Griffith. All in all, it was a great success, even though Rhea, our student director, did have to coach us when we failed to remember our lines and our movements.

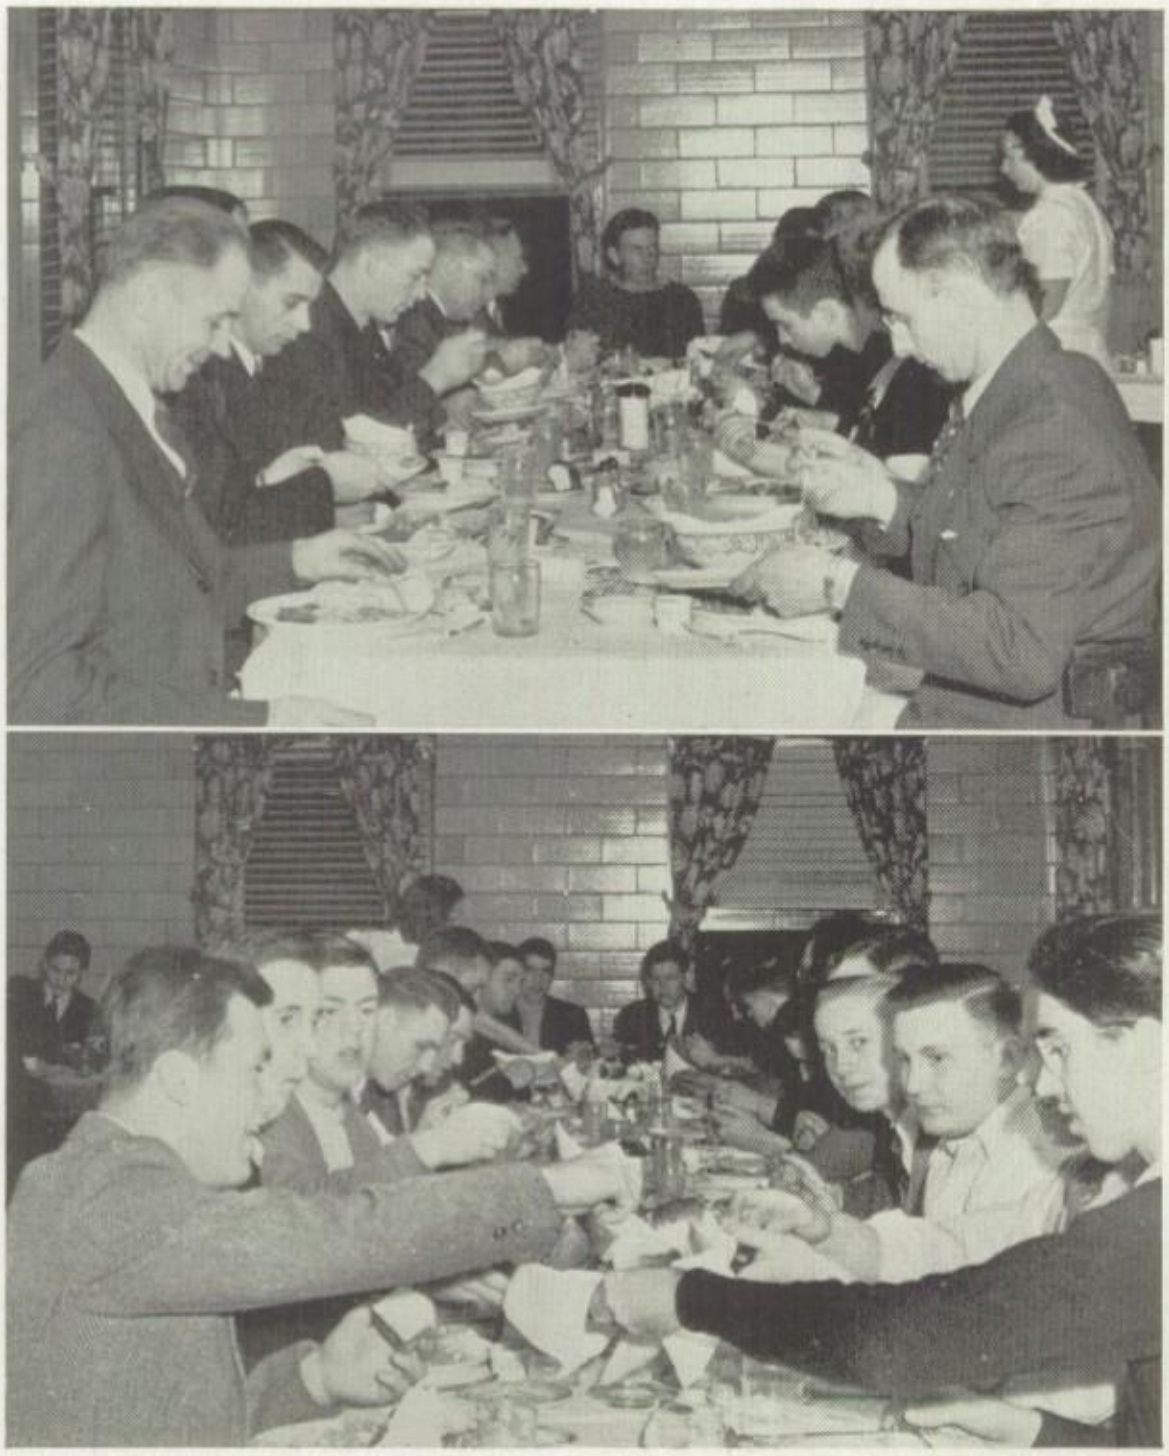
THESE GIRL RESERVE USHERS are ready, willing, and able to show the audience to their seats.

TIMELY, JOVIAL

BETWEEN TIMES . . . WE EAT



THEY MUST HAVE ENJOYED THE FOOD; they look so happy and contented. We hope they didn"t eat too much, but you can't tell about boys!

● No Rations ●

No matter from which direction or angle you look at it, nothing will ever take the place of the enjoyment we get out of eating. These football players must not have eaten for two years!

● Attention ●

Forward march! Here comes the band and, boy, look at them step. The snappy cadence of the drums sets a pace that makes us feel as if we're in the army!

. . . WE DRILL

FERNDALE IS PROUD OF ITS NEW ADDITION TO THE BAND. The dozen Majorettes not only look trim but they can twirl those batons, and strut, too! They cause those admiring glances when the band goes by.

IT WAS A SAD DAY FOR WESTMONT when Ferndale's spirit soared and was exhibited by the excellent assembly and traditional bonfire. We had high hopes for the glorious victory which came the next day.

. . . WE PLAN

● School Spirit ●

Ferndale students are always able to "round up" the "gang" for a rousing pep meeting prior to a big game or turn out, "en masse," for the "burial" of a rival team.

THE TWO SCENES BELOW are from the "Jinx" dance held by the Reflector. The picture illustrates that the dance was very successful.

● Time Out ●

We know how to relax after a game, for we know how to dance! If you don't like to—well, there's always ping-pong or ice cream sandwiches!

. . . WE DANCE

WE TAKE OUR HATS OFF to that part of our student body referred to as the tuition students. They hail from Middle Taylor, Brownstown, Lorain, and Riverside. When we are still asleep, they are on their way to school—no matter what the day. They take an active part in school activities and produce a great percentage of the honor roll. There is always a big scramble for the best seats on the bus, and the old saying, "First come, first served," is practiced on every occasion. However, in our minds, the students from Lorain Borough and Riverside are even braver, for they face the bitter winds of winter and the rains of spring without the luxury of a bus. Yes, a great part of Ferndale's soul rests in her tuition students.

FAMILIAR FACES AND PLACES

LOOK PRETTY NOW, 'cause this is for the Reflector . . . Hey! What's your hurry? We're not finished taking this picture yet and besides, there's a class coming up next. Having our pictures taken for the Reflector caused many a happy heart—we got out of classes. Boy! did we like that!

TIME OUT FOR BIG MOMENTS

YOU NAME IT

THIS LIFE WE LIVE AT FERNDALE

Flip the prop . . . another year takes off from F. H. S. . . . All back safely—glad to be in hum of things again! We all had much to discuss about furlough events. . . . Eagerly began new drills and formations . . . underclassmen were lost in a fog for first few weeks, while the advanced student flew, at high altitudes. . . . Commanding Officer's staff changed a little—some new faces were added. . . . Barracks cleaned and inspected at regular intervals . . . new uniforms marching around caused several heart beats and an occasional heart attack. . . . Captain Fisher's recruits hit the "terra firma." Passes signed out for games and dances . . . culprits assigned to an hour guard duty. . . . Flight Commander Kuhs made direct hit with his show—goal sighted, reached same. Air raid drills practiced quite often (for once we were 99 per cent quiet) . . . situation well in hand. . . . Strategy board opened up—several new attacks. . . . Preflight Class added to schedule . . . band tuned up to perfection; made a colorful display in full dress parade . . . corps of "snazzy" majorettes added . . . mass assemblies improved in ability and content—series of patriotic poster talks given by Senior cadets . . . school treated to special movies . . . no rations necessary, tangerine epidemic swept the school . . . noticed our Freshmen recruits adding a little zip to the old school spirit . . . displayed our musical knowledge at the Hi-Y Quiz assembly . . . Juniors hit new high in the magazine campaign . . . bothered our neighbors with requests to buy wax paper . . . jitterbugged to Victor and his twelve records after the Friday night basketball games. . . . Finished the school term with Junior-Senior reception and Senior commencement . . . when everything is said and done, this Life We Live isn't so bad after all!

LINES FROM OUR DIARY

AIR RAID DRILLS are practiced seriously and frequently to be prepared for emergency. Mr. Custer can be seen checking with his fire wardens., who faithfully perform their duty.

SQUADRONS
ROBERT E. WRIGHT

A CALL TO COLORS . . . FERNDALE GEARS

FOOTBALL COMMANDOS

• OFF TO A GOOD START •

Ferndale High School's Yellow Jackets, meeting Richland Township High in the local gridiron curtain-raiser, stacked up against surprisingly stiff opposition from the inexperienced Townshippers and managed to slide through to a 12-0 victory.

Although the yellow-clad boroughmen rang up a total of 14 first downs to one for the losers, Coach Fisher's men lost several scoring chances as the plucky Geistown lads repeatedly put up a stubborn defense.

The local's first touchdown came in the second quarter after Bebe Altemus' nifty punt rolled out of bounds on Richland's three yard line. Geistown kicked but the punt was blocked and Brant pounced on the oval for the initial counter.

Their other touchdown came in the third frame, when the Jackets showed signs of going places with a 60-yard drive. Davis heaved a basketball pass straight over the center of the line to LaMarr Altemus, who had to run only two yards to get into pay dirt.

HINDMAN

Ferndale	7	Westmont	6

PLACHY

SWICK

REED

OTTO

FOR FRONT LINE ACTION ON THE GRIDIRON

• TOUGH LUCK •

Flashing a dazzling assortment of tricky laterals, Ferndale drove 67 yards in the opening period only to lose the ball on the one-yard line when a swarm of Ebensburg players fell on a Ferndale fumble.

The Stingers threatened again early in the second period when a 19-yard pass from Hindman to Ripple set the ball on the Ebensburg 19. The County-seaters braced and took over four plays later on their own 14.

Hindman and Davis contributed the big chunk of Ferndale's 50-yard dash to a touchdown in the third period, with a Hindman-to-Geisler heave contributing 11 yards. Davis went over from the two-yard stripe on a center plunge.

Ferndale, holding a 6-0 lead, attempted a forward heave from deep in its own territory, but an Ebensburg back pulled in the oval and raced 18 yards for the score.

The spark of victory now burst into flame and the Red and Black were soon off on a 70-yard jaunt for their second touchdown.

• PERFECT DEADLOCK •

Ferndale and Conemaugh Township fought their way through a 0-0 deadlock to launch a future grid rivalry. The two teams were matched so evenly that only one serious threat developed during the entire contest, and that when the Indians took to the war-path in the second quarter and moved to Ferndale's two-yard stripe before "making peace."

Pure statistics can easily prove how evenly-matched the two squads were. The Jackets piled up a total yardage gain of 111 yards, 99 by ground plays and 12 through the air, while the visitors chewed up 113 yards, 96 by rushing and 17 by passing. Ferndale held a 7-6 advantage in first downs.

The Jackets threatened in the third on a pass from Stravasnik to Hindman for a first down on the enemy 30. Hindman passed to Plachy in the clear but the ball fell to the ground, losing their chance to score.

B. ALTEMUS

DAVIS

STARS IN SERVICE

STRAVASNIK

BRANT

L. ALTEMUS

. . . FIGHTING SPIRIT IS DEVELOPED BY

• A MAJOR DEFEAT •

Our grid machine went down to its second defeat when Punxsutawney's rugged, hard-driving team came from behind to whip the boroughmen, 20-6, in a thrilling battle.

Herb Davis pounced on an enemy fumble on the third play of the game and the Jackets needed only seven plays to eat up the 41 yards to the goal line. Davis crashed over the payoff stripe for the score.

In the last quarter the Jackets hammered their way to within 11 yards of a touchdown, only to have their last-ditch passes batted down.

The Punxsy gridders reeled off their three touchdowns on long marches, one on a 84-yard drive, one on a 40-yard push and the last on a 67-yard gallop.

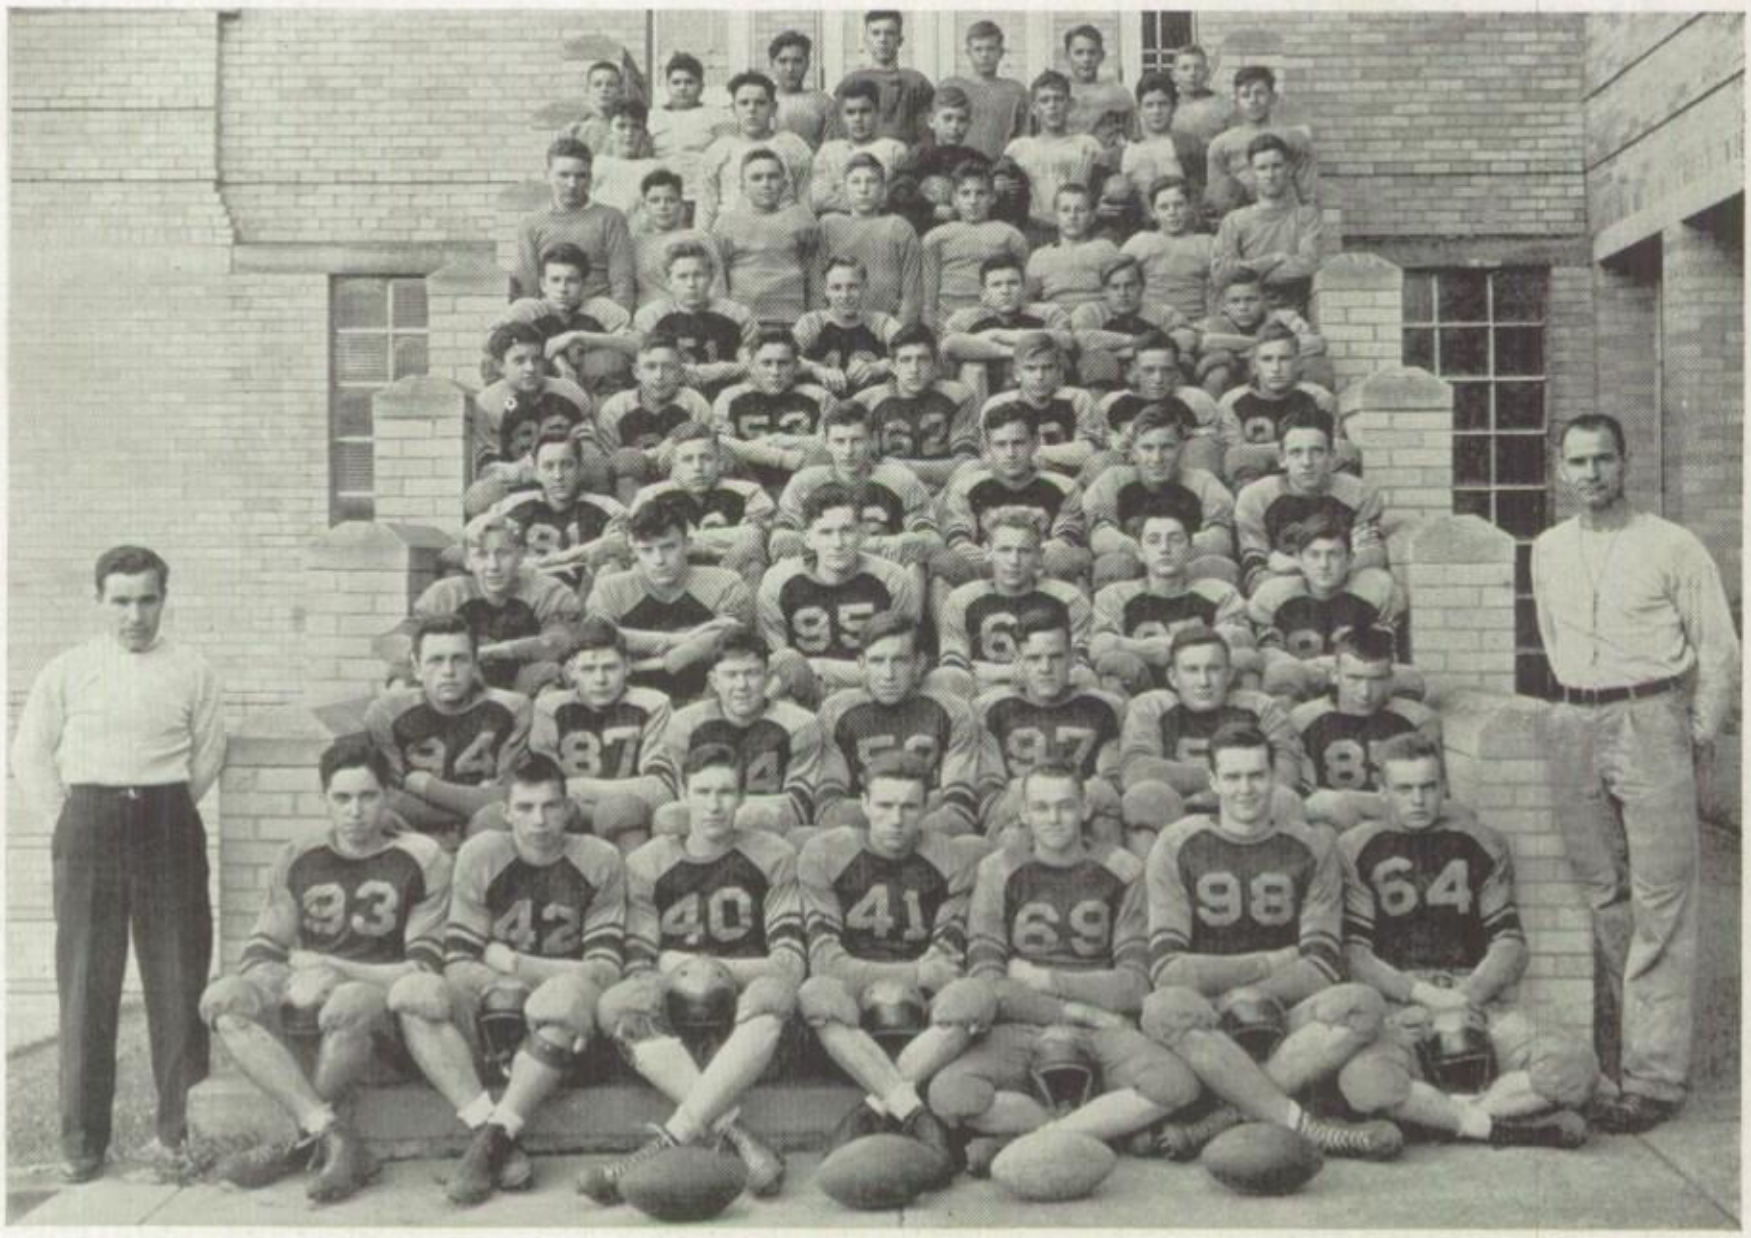
• TWELVE UP •

The Fisher revamped Yellow Jackets began hitting their stride for the first time this season and battled a highly favored Portage Bulldog eleven to a 12-12 tie.

Plachy bounced on a Portage lateral on the visitor's 29 to set the stage for the Stingers' first "sting." On the next play Frambach whipped a pass to Hindman for the score.

Ferndale's second tally was made by Bob Ripple, who plunged across from the two to climax a drive that started with LaMarr Altemus' recovery of a Portage fumble on the Mainliner's 24.

Ferndale held a 7-5 edge in first downs. Portage moved into paydirt on trips of 45 and 24-yard drives. The Bulldogs outgained the Jackets by 100 yards to 82.



AMERICAN SPORTS

• NO SOAP •

Invading Ferndale High went down to its third defeat of the season when DuBois annexed a 24-7 victory over the Black and Gold.

The victors rang up two first-period touchdowns on a 61-yard march following the opening kickoff and on a 54-yard punt return.

Ferndale threatened to overhaul the home team in the second period when they drove 64 yards to score and cut the handicap to 12-7, but the locals recorded a touchdown in each of the last two frames to finish well ahead.

Bob Hindman plunged across from the two-yard line for the lone Jacket tally after Bebe Altemus' 15-yard run had sparked the long Ferndale march. Davis lateraled to Hindman for the extra point.

DuBois scored its third marker from short range to climax a 52-yard, third period advance. DuBois recovered a Jacket fumble on the 26 to start the last quarter, with Stanley tearing around right end for the final score four plays later.

DuBois led in first downs, 13-6, and outgained the Jackets considerably in yardage from scrimmage.

MANAGERS "HARKY" HARCLERODE, BOB SAINTZ, AND JOHN HINDMAN are on the job before the big fight preparing the boys by wrapping ankles and fixing cleets. Left-end Altemus seems to enjoy their "gentle touch."

• A CLOSE SHAVE •

Staging a desperate 60-yard drive in the waning minutes of the game, the Jackets overhauled the Conemaugh Iron Horses and carted off a 7-6 victory.

Conemaugh blasted their way over the goal line from the Ferndale 39 early in the fourth quarter following recovery of a Jacket fumble.

The Yellow Jackets came back to take the ensuing kickoff on their own 40 and set their wings buzzing goalward. Bebe Altemus and Hindman chalked up first downs on the Conemaugh 23 and 13. Hindman was good for three to the 10 and Davis drove over for the tying score on his third straight job at the line. Hindman then came through with the winning point.

FRAMBACH JAMES HEMMINGER GEISLER

They're in there--HEART AND SOUL--That's how the "JACKETS" reach their goal.

Who supplies the "PEP" and "HEAT"---
"FERNDALE'S BAND", and are they neat

VITAL MANPOWER MOVES INTO ACTION

• EVEN STEPHEN •

An underdog Black and Gold eleven battled to a 6-6 tie with Barnesboro High School's Red Dragons in a nip-and-tuck contest.

Ferndale was stopped twice after driving as far as the Barnesboro 15 in the first half. The second march was turned into a Dragon touchdown when their left-end snatched a Ferndale lateral in mid-air on the 21 and romped over the Jacket goal line.

Starting from the Dragon's 43 early in the third quarter Ferndale needed only a few plays to advance to the three-yard stripe, from where Hindman swept right end for the tying tally. The placement kick was blocked.

The Jackets were kept at a distance throughout most of the contest by the flashy punting of the Dragon's fullback. Time and again his kicks pulled the Barnesboro eleven out of danger.

Ferndale outplayed their opponents by a considerable margin. The Stingers held a 9-4 edge in first downs and gained 160 yards to 73. With the exception of the interception, the Dragons were unable to advance into scoring position at any time.

• WE DOOD IT •

Westmont led Ferndale 6-0 throughout most of the interborough gridiron clash, but the Yellow Jackets staged a determined fourth-period drive which netted a touchdown, and then lateral passed for the all important extra point which decided the contest 7-6.

Westmont achieved its only score early in the game when they blocked a punt, recovered the ball and raced 22 yards in the open to the Ferndale goal line.

Ferndale received the ball on its 42-yard line. Davis made three yards and a line plunge failed. Then came the most sensational play of the game. Davis broke through right tackle and reached the Hilltoppers' 45, where he tossed a lateral to Altemus, who ran down the sidelines to the 16 before being brought down from behind. The next three plays yielded only six yards but on the fourth Hindman fired a pass over the right side of the line to Plachy, who made the catch in the end zone. A lateral pass, Davis to Hindman, manufactured the all-important conversion point for the triumph.

CHEERLEADERS IN ACTION create enthusiasm and morale for our fighting divisions. Lining up in maneuvering formation are: Sernell, McConnell, Fisher, Pollock, Stahl, Markel, Warren, Johnston, Ceslovnik, Hassenplug, Poliacek.

PLACHY

VALIANT DEFENDERS OF

Eighteen experienced cagers from the 1942 basketball combination reported to Coach Fisher as the Yellow Jackets launched practice sessions in preparation for a stiff schedule this season.

Three lettermen—Braden and LaMarr Altemus and Herbert Davis—returned to form a nucleus around which Coach Fisher could build his new squad. Plachy, who saw considerable action last season, also was rated a leading contender for a varsity post.

The Stingers inaugurated their season against the Alumni, with Bebe Altemus dumping in a field goal in the last 30 seconds of play to tie the score; the Yellow Jackets went on to cop a 20-19 victory in an extra period.

With defensive play the outstanding feature of the game, the locals turned back Conemaugh's Iron Horses, 25-14. Two field goals put the Ferndale lads away to a four-point lead in the first quarter. Conemaugh did not succeed in bagging its first field goal until the last minute of the third period.

Running up a 13-point lead in the first half, the Fisher quintet staved off a desperate second-half threat to grab a 23-19 victory over Johnstown Catholic High. Coach Fisher's Stingers played championship form in gaining an 11-2 advantage in the first quarter and stretching the lead to 18-5 at the half.

Staging a last minute rally, the Jackets nosed out the Indians from Conemaugh Township, 27-26, in a real basketball thriller.

THE BASKETBALL COURT

LaMarr Altemus came through in the last 15 seconds of play to net the victory.

Tacking up their fifth consecutive triumph, the Fishermen took a close decision, 26-24, in a hotly-contested battle, from Allegany High of Cumberland. Dick Cable furnished the winning tally when he rimmed the hoop late in the final period.

Ferndale's high-flying Jackets tucked away their first win in the Tri-County League to make a successful start by annexing a 33-27 count over Indiana in a whirlwind game all the way.

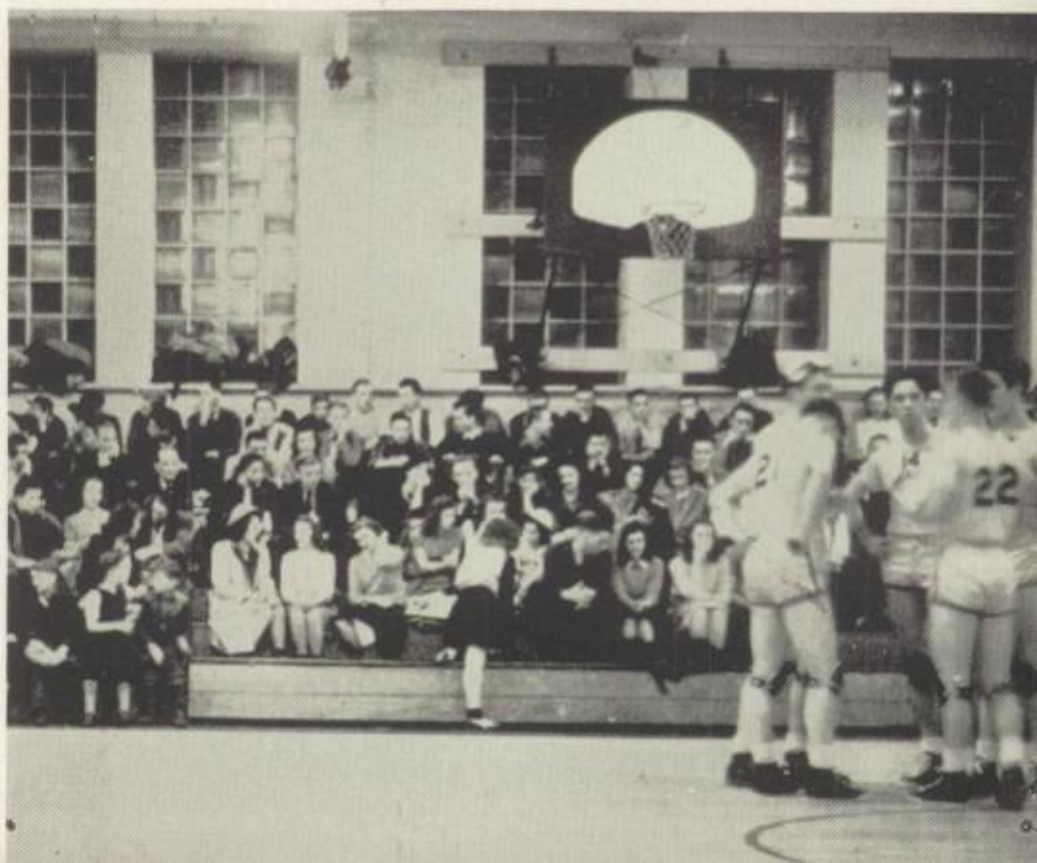
Decidedly off-stride and unable to find their sting consequently the Yellow Jackets went down to a 33-28 defeat at the hands of Ebensburg High's Red Devils. The score was quite even throughout until the Ebensburgers really got going in the last quarter to grab the lead.

Given stern opposition only in the first frame, Ferndale found its stride and buzzed away to an overwhelming 35-18 conquest of Southmont.

Johnstown stopped Ferndale's favored Yellow Jackets, 26-23, in a thrilling, fast-running contest that kept the crowd on edge to the final whistle. Ferndale jumped to a 9-2 lead and looked as though they would walk away from the city rivals, but the Men of Troy came back fighting to unrest the lead in the second quarter and retained the upper hand throughout the remainder of this game.

Trailing by 10 points, the Stingers staged

• CEASE FIRING — TIME OUT! •



WE CALL ON OUR ACES

a desperate last-ditch rally to nose out the Conemaugh Townshippers, 29-28 in a real basketball thriller. La Marr Altemus came through with the all-important field goal in the last fifteen seconds of play to net the victory.

Scoring the winning field goal just as the final whistle sounded in an overtime session, Westmont hung up a win by knocking out the Jackets, 25-23, in a snappy tussle all the way. The game officially ended when the ball was in the air, but the leather dropped through the hoop to give the Hilltoppers the victory.

Staging a blazing 17 point spree in the third quarter, the Iron Horses hung up a 37-31 upset victory. The Jackets commanded an 18-5 advantage but were unable to hold the driver's seat against the furious onslaught of the Steeds.

Ferndale snapped out of the doldrums and poured on the steam against Windber

FRONT-LINE

to hand the Ramblers a 44-20 lacing, displaying championship form in ball-handling and passing.

The Stingers clicked in spots to eke out a 26-24 victory over the Ebensburgers and grabbed third place in the Tri-County League.

The Indiana dribblers zoomed to a 13-5 lead in the first quarter and practically iced the decision with a 10-point outburst in the second stanza to eliminate Ferndale by a 43-36 count.

Piling up their highest score of the season, the Stingers set Windber down by a 55-24 slaughter. The winners were paced by Bebe Altemus, Davis and Cable who accounted for 41 of the Jacket spoints between them.

Franklin's Blue Jays opened up a blazing scoring barrage in the last two heats to whip the Black and Gold, 44-26, in a fast-moving contest. At the halftime, the score was deadlocked at 17-17.

Piling up a total of twenty-six points in the second half, the Jackets walked off with a 46-18 victory over the Richland Township dribblers.

Clicking with regularity on close "peep shots," the Johnstown Trojans clinched the Tri-County basketball title by topping the Jackets, 47-28.

Moving into the lead for the first time with a 14 point rally in the third quarter, Ferndale managed to stay in the driver's seat to nose out their Westmont rivals, 32-31 in a thrilling tussle all the way.

FIGHTERS . . . EVERY INCH OF THE WAY

After battling the Altoona High passers on even terms for three periods, the Jacket quintet was given a set back, 42-28, on a last quarter rally by the big Blair County maroons.

The boys of Coach Fisher, after having toiled for three full quarters to build up a slight lead, were forced to stage a desperate fight to the finish to edge out a 28-25 victory over a gallant Franklin High quintet in one of the season's most thrilling and breath-taking tussles played on the local floor.

Given a tough battle all the way, the Stingers managed to eke out a 19-17 decision over Southmont.

Gaining a slim 2-1 edge in the first quarter, Ferndale's rampaging Jackets held on grimly during the last three periods to annex a hard-earned 19-17 triumph over Johnstown Catholic High.

Ferndale dropped its last game of the season to Allegany, 23-22, in a last minute shot from the side, giving the visitor a slim edge to put the game on ice. The Jackets tried desperately to gain possession of the ball for one more toss but the Allegany lads held on to their one-point advantage.

The schedule this year included 25 games with the Jackets taking a toll of 16 wins against 9 losses.

Through graduation Coach Fisher will lose the services of Davis, center; L. Altemus and B. Altemus, forwards; and Plachy, guard, Cable and Geisler will form the nucleus around which next year's quintet will be built.

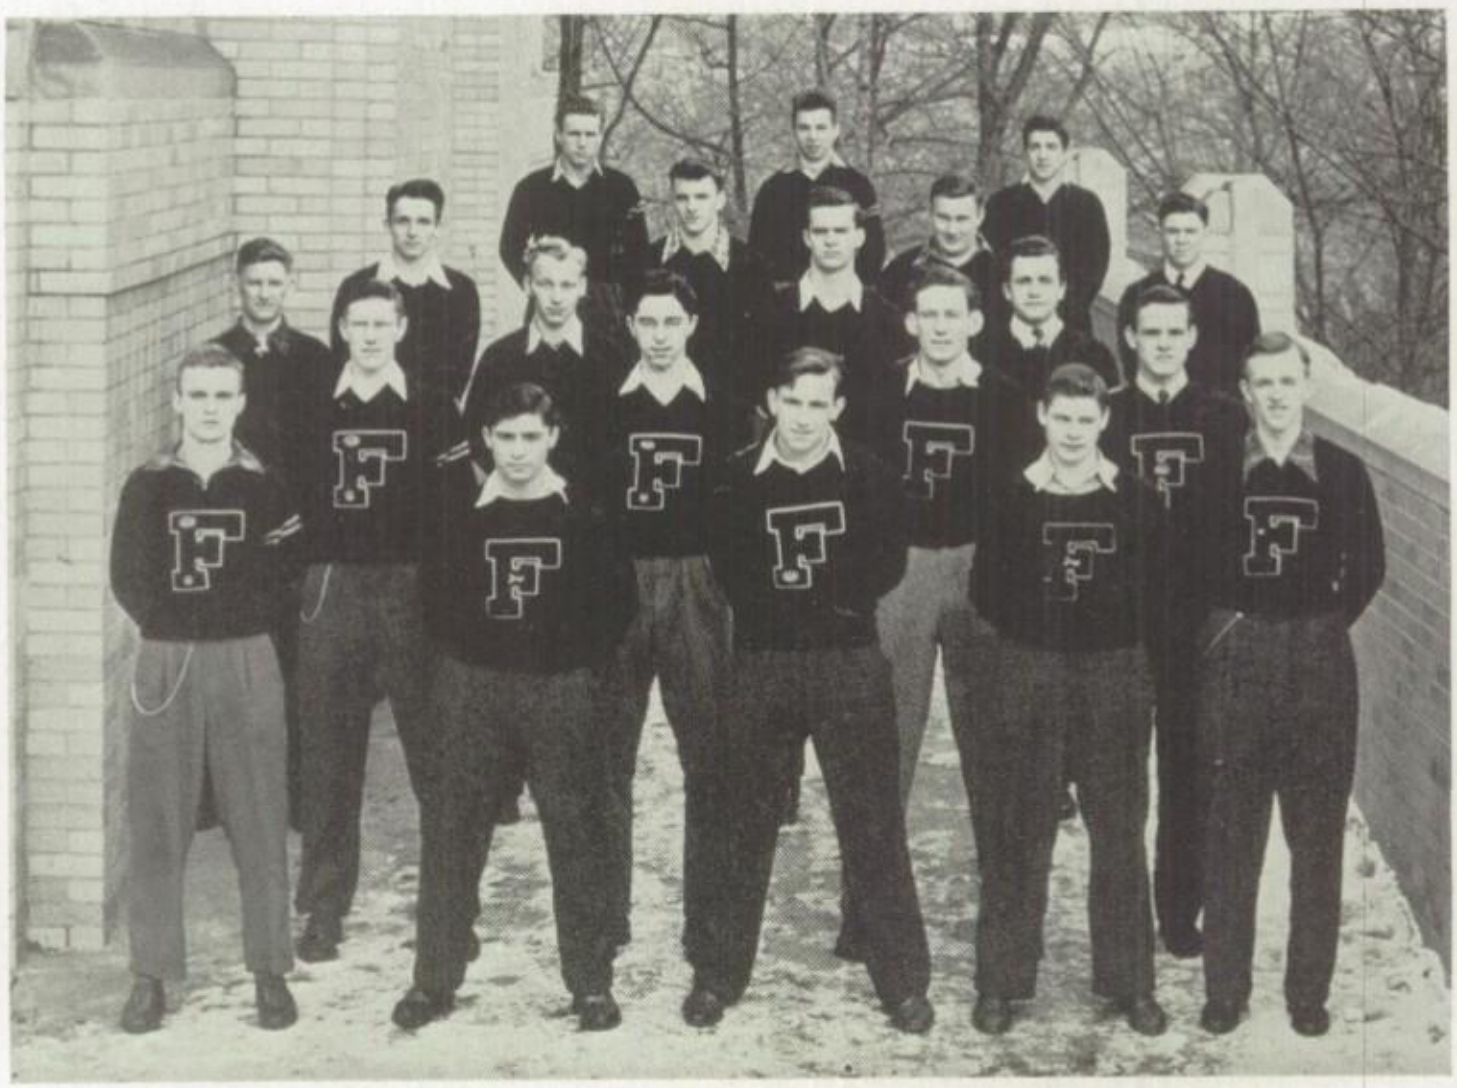
FIRST IN THE SERVICES



THOSE WHO HAVE WON DECORATIONS

One of the impressive facts about the heroes produced in the American fighting forces is that they are almost invariable athletes. In our American sports—football, basketball, baseball, track, etc., they prepared their muscles, their nerves, their minds, to function as perfect machines in the hazardous game of deadly war. Yes, and in these same competitive sports they learned another thing that soldiers in a great and noble cause must have—fighting spirit and the will to win.

The Varsity F Club are all "he-men," alert to America's needs of today . . . and tomorrow. Upon these veterans will depend the outcome, just as was true in the past—when they met the opponent, face to face, and fought to keep their record intact.

We honor our athletic heroes and give to them the decorations which they so nobly have earned the right to wear.

Only those athletes who have met the requirements for a letter in one or more varsity teams are eligible for membership in the Ferndale Varsity "F" Club. The purpose of this organization is to foster the spirit of fair play, cooperation, and clean living among athletic competitors in Ferndale High School.

Each club member pledges to be loyal at all times to his team and the school which it represents, to play the game honestly, to obey training rules, to play the game hard, trying to win by strength and skill, to treat his opponents with courtesy, to be a good loser and a generous winner, and to set a good example for the Ferndale athletes who are trying their best to gain the opportunity to be a member of the varsity squad or team.

We salute these boys — all distinguished heroes who have carried our banner through another successful campaign.

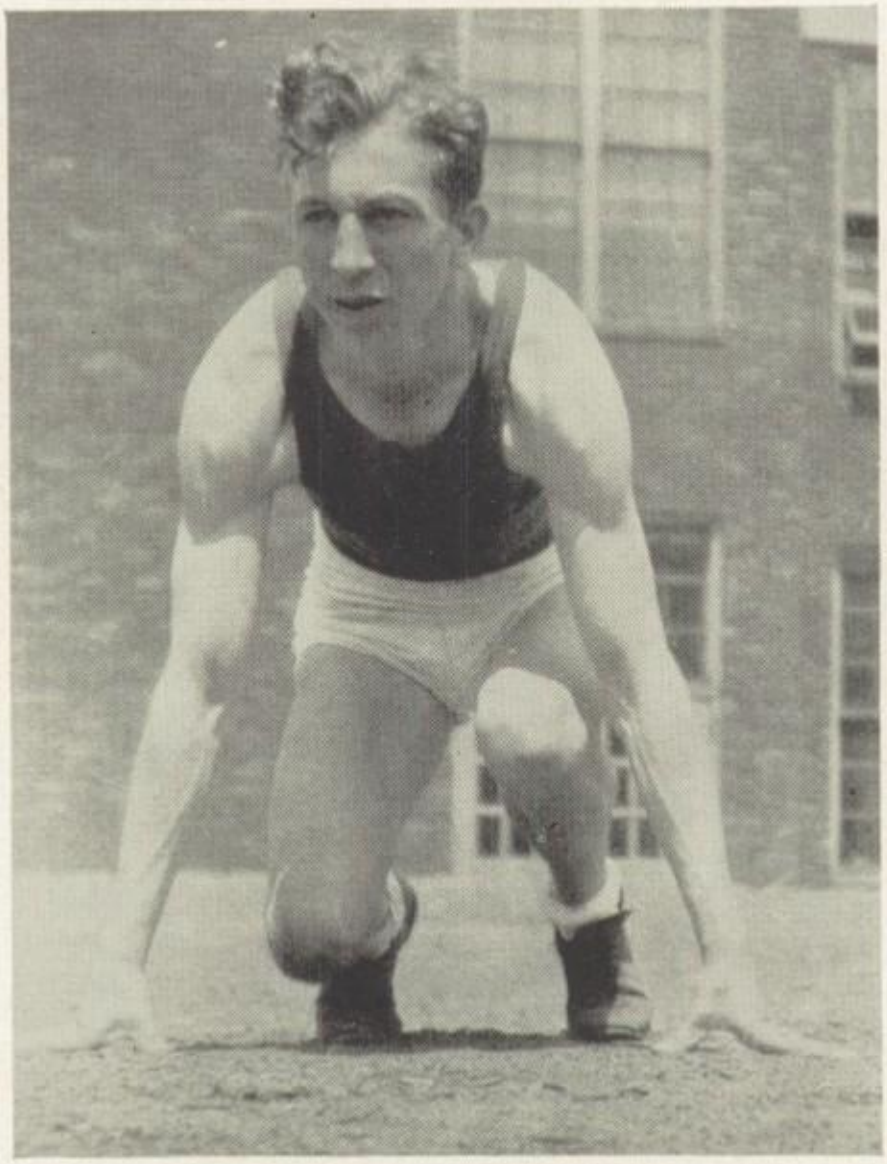
IN MEMORY OF



PAUL WIDMYER

For the first time in the history of Ferndale High School, taps have sounded for an outstanding athlete.

Paul Widmyer will long be remembered by his coach, teammates, and the athletic officials with whom he came in contact. His determination to excel; his will to win and his sportsmanship made him an outstanding performer.

The courage, skill, and leadership shown by him should prove an inspiration to all future Ferndale athletes.

• WINGS FOR AMERICAN YOUTH •

A new wrinkle was injected into pilot training by Instructor Wolfe. He figured that a lot could be accomplished for the good of America and for our future pilots by organizing a school airplane club. As a result, Ferndale did its part to "keep 'em flying." Our young aviation cadets learned the designs and makes of airplanes so they could recognize them in split-second time . . . studied the intricate mechanisms . . . built model planes for Uncle Sam . . . acquired some fundamentals in the art of flying . . . and became acquainted with technical terms not usually intelligent to the layman. The result was good—better trained students.

• A PAD FULL OF SYMBOLS •

Yes, we will wear the white collars of tomorrow! Under faithful guidance and advice we have been training to be better prepared to fill our future positions. But wait! . . . We did something entirely new this year—took dictation and typed letters and orders for hard pressed instructors. Learned scores of other things too—wrapped packages, sealed envelopes, typed even right margins, cut stencils, and performed in model interviews . . . and never found time to glance at our watches. With all this knowledge we say—"Watch out business, here comes your future secretaries!"

WE LIVE THE DEMOCRATIC WAY

• WE SERVE WITH A SONG •

Have you ever walked down the hall Tuesday morning and heard the spirited flow of song from the music room? Yes, that was the blended voices of the Boys' Chorus . . . not only singing songs for programs etc., but mostly blasting away for their own enjoyment. The boys sang for assemblies, participated in the Spring Concert, formed a fine octette, and acquired a more basic foundation in music. The voices ranged from high, clear tenors down to the deep, mellow basses . . . harmonizing together there was a fine result . . . occasionally, however, a few notes escaped which were not called for in the music.

• LET FREEDOM RING •

With unfailing good nature and a beat of the baton, Robert Johnson, a newcomer to our music department, calls the chorus to order. . . . What patience! Familiar strains faintly float through the corridors, with sopranos and altos harmonizing equally well . . . enjoyed hearing Mr. Johnson "tickle the ivories." This was a period of relaxation—what fun it was to stack our books, sit back, and pour forth with gusto . . . however, we were often reminded about chewing gum as well as our musical signs. Altogether we worked hard, had a lot of fun, and gained valuable and helpful training in musical experience.

• ALL OUT ON PARADE •

Accepted the services of many new volunteers to increase our size in a record-breaking march to success . . . progressed enormously under the supervision of Commander Johnson . . . contribtued color and expression to the football games . . . participated in many weekly assemblies . . . spent long weary hours drilling at Commanding Headquarters . . . were commended on our precision and snappiness. . . . were famed for the uniqueness displayed while maneuvering on the football field . . . drafted the services of twelve "super" majorettes (yep, they can twirl, too!) . . . added a marching novelty to the pep meetings . . . rendered our services at the Christmas Parade (brr, was it cold!) . . . all in all, enjoyed a merry year serving in Ferndale High School's Commanding Forces.

• TO KEEP 'EM READING •

One of the many useful and practical units of Ferndale . . . established for the first time this year to acquaint students with knowledge of the library. The club has accomplished much during this year in the way of keeping books in order and contributing articles to the bulletin board, also handing out those little white slips that really are a headache when suddenly out of a blue sky someone politely, and smilingly, hands you a "please remit." Several programs demonstrating just what they should have learned were given. . . . All in all, real achievements were attained.

SOMETHING FOR EVERYBODY IS ADDED

• REFLECTOR HITS THE HIGH SPOTS •

At the beginning of the school term of the year 1942, the Reflector staff met to bring forth a book we hope you will cherish and refer to in your old age. We decided our theme to be aviation, since it seems to be the present and future keynote of America. With the co-operation of the staff, we were soon on our way with the general layout. We must confess copy assignments caused headaches . . . but we worked diligently and offered what wisdom we had. Mr. Kunkle's good advice, along with his willingness and patience, contributed to the success of our Reflector. The co-editors spent many hours working on page layouts. Our brilliant ideas brought money to finance the book . . . yes, we all participated, by jivin' at the "Jinxs" dance and dishing out nickles for guesses on the mysterious obstacles to be found in the cakes . . . we even canvassed homes to sell Xmas cards. The most interesting feature of our book is its informality . . . take notice to the informal snapshots taken and supplied by Mr. Custer. The aim of the entire Reflector staff was to make this annual an attractive and invaluable book . . . we hope you like it!

• COURIER DRAMATIZES SCHOOL LIFE •

"Hey, did you get your article written yet?" "How many words in that write-up?" "There will be a staff meeting at 3:30 in Mr. Hill's room." These were a few of the common remarks heard from time to time among the Courier staff members.

Editors-in-chief of the school paper were Ruth Weimer and Joan Gilbert, two capable seniors who helped the paper weather many a storm. The humorous, eye-filling columns were products of Marilyn Miller's creative mind, while the thrilling sport's columns were written by Steve Virus. Exchanging school papers with many nearby schools, Joanne Kelly was a busy editor. To keep the school informed about our alumni, both at home and on the front lines of action, Lois Jean Hassenplug had a difficult assignment, but she filled it very capably. Robert Wright, our number one ace in the art field, very effectively planned the art designs for each issue. Assisting Bob was Carl Larson, who shared the responsibilities equally well. Dorothy Rubrecht headed the busy reporters who hounded everyone for news, news, and more news.

The journalists attributed much of their success to Mr. Hill, who advised them soundly on difficult problems and snags confronting them. The staff can proudly look back upon a record of success and popularity.

"MISSION ACCOMPLISHED!"

We wish to express our sincere gratitude and appreciation to the staff members of the 1943 Reflector and to all others who directly or indirectly have worked so faithfully and efficiently behind the scenes in the production of this annual. There is little doubt that without their cooperation and wise suggestions these accomplishments would not have been possible.
